Yakima, WA 98902

3. Provide a detailed description of the proposed project.

Pursuant to Washington Administrative Code (“WAC”) 246-310-806, for Nonspecial Circumstance Cycle 1, RCG is requesting CN approval to develop a new CN-approved 11 in-center stations and 1 isolation station facility, FKC Yakima River in the Yakima Dialysis Planning Area.

4. Identify any affiliates for this project, as defined in [WAC 246-310-800\(1\)](#).

This question is not applicable.

5. With the understanding that the review of a Certificate of Need application typically takes 6-9 months, provide an estimated timeline for project implementation, below:

Event	Anticipated Month/Year
Assumed Completion of CN Review	January 2022
Design Complete	April 2022
Construction Commenced	September 2022
Construction Completed	January 2023
Facility Prepared for Survey	May 2023

6. Identify the Month/Year the facility is expected to be operational as defined in [WAC246-310-800\(12\)](#).

Assuming uncontested CN-approval in January 2022, the new stations are expected to be operational by the May 2023.

FKC Yakima River will serve patients with end-stage renal disease. FKC Yakima River will offer in-center hemodialysis, home hemodialysis and peritoneal dialysis training and support for dialysis patients, a dedicated isolation area, and a dedicated bed station. FKC Yakima River will also offer an evening shift, beginning after 5 pm, for dialysis patients.

- 8. Fill out the table below identifying the current (if applicable) and proposed configuration of dialysis stations. Note – an exempt isolation station defined under WAC 246-310-800(9) would not be counted in the methodology, but would be included in the total count of certified in-center stations.**

Certificate of Need Review Criteria

A. Need (WAC 246-310-210)

[WAC 246-310-210](#) provides general criteria for an applicant to demonstrate need for healthcare facilities or services. [WAC 246-310-800 through WAC 246-310-833](#) provide specific criteria for kidney disease treatment center applications. Documentation provided in this section must demonstrate that the proposed facility will be needed, available, and accessible to the community it proposes to serve. Some of the questions below only apply to existing facilities proposing to expand. If this does not apply to your project, so state.

1. List all other dialysis facilities currently operating in the planning area, as defined in [WAC 246-310-800\(15\)](#).

Please see Table 1 below a provider list of certificate of need approved stations in the Yakima County Dialysis Planning Area.

2. Provide utilization data for the facilities listed above, according to the most recent Northwest Renal Network / Comagine ESRD Network 16 modality report. Based on the standards in [WAC 246-310-812\(5\) and \(6\)](#), demonstrate that all facilities in the planning area either:
 - a) have met the utilization standard for the planning area;
 - b) have been in operation for three or more years; or

3. Complete the methodology outlined in [WAC 246-310-812](#). For reference, copies of the [ESRD Methodology](#) for every planning area are available on our website. Please note, under [WAC 246-310-812\(1\)](#), applications for new stations may only address projected station need in the planning area where the facility is to be located, unless there is no existing facility in an adjacent planning area. If this application includes an adjacent planning area, station need projections for each planning area must be calculated separately.

In-center dialysis station need was determined by applying the five-step methodology set forth in WAC 246-310-812. The specific methodology applied to the Yakima County Dialysis Planning Area is detailed below:

Step (a)
Determine the Type of Regression Analysis to be Used

Determine the type of regression analysis to be used to project resident in-center station need by calculating the annual growth rate in the planning area using the end-of-year number of resident in-center patients for each of the previous six consecutive years, concluding with the base year.

(i) If the planning area has experienced less than six percent growth in any of the previous five annual changes calculations, use linear regression to project station need; or

(ii) If the planning area has experienced six percent or greater growth in each of the previous five annual changes, use nonlinear (exponential) regression to project station need.

Table 3 details the year-end number of in-center hemodialysis patients in the Yakima County Dialysis Planning Area. As Table 3 demonstrates, growth in years 2018, 2019, and 2020 were less than 6%. As such, a linear regression is to be used to project station need.

Table 3. Yakima County Dialysis Planning Area Year-End Resident In-Center Hemodialysis Patients and Annual Rate of Change from Prior Year.

Year	2015	2016	2017	2018	2019	2020
Number of Patients	262	291	313	321	330	324
Rate of Change from Prior Year	--	11.1%	7.6%	2.6%	2.8%	-1.8%

Source: Northwest Renal Network Modality Reports. Please see also <https://www.doh.wa.gov/portals/1/Documents/pubs/KDYakima.pdf>

Step (b)
Project the Number of Resident In-Center Patients

Project the number of resident in-center patients in the projection year using the regression type determined in (a) of this subsection. When performing the regression analysis use the previous five consecutive years of end-of-year data concluding with the base year.

Per WAC, the projection year for dialysis station need is defined as the fifth year after the base year. The base year is defined as the most recent calendar year for which December 31 data is available as of the first day of the application submission period from the *Northwest Renal Network's Modality Report*. In this case, the base year is 2020 and the projection year is 2025. Accordingly, Table 4 details the number of projected in-center patients in the Yakima County Dialysis Planning Area in the years 2021 – 2025 using a linear regression.

Table 4. Yakima County Dialysis Planning Area Projected Year-End Resident In-Center Hemodialysis Patients. Linear Projection.

Year	2021	2022	2023	2024	2025
Number of Patients	341	349	357	366	374

Source: Applicant. Please see also

<https://www.doh.wa.gov/portals/1/Documents/pubs/KDYakima.pdf>

Step (c)
Determine the Number of Dialysis Stations Needed

Determine the number of dialysis stations needed to serve resident in-center patients in the planning area in the projection year by dividing the result of (b) of this subsection by the appropriate resident in-center patient per station number from subsection (3) of this section. In order to assure access, fractional numbers are rounded up to the nearest whole number.

As noted above, the projection year is 2025. For the Yakima County Dialysis Planning Area, the appropriate resident in-center patient per station number is 4.8. Assuming 374 patients in 2025 (step b), dividing by 4.8 and rounding up yields seventy-eight (78) total stations needed in 2025.

Step (d)
Determine Net Station Need

To determine the net station need for a planning area, subtract the number calculated in (c) of this subsection from the total number of certificate of need approved stations located in the planning area. This number does not include the one department recognized exempt isolation station defined in WAC 246-310-800(9). For example, a kidney dialysis facility that is certificate of need approved and certified for eleven stations would subtract the one exempt isolation station and use ten stations for the methodology calculations.

Subtracting existing stations from 2025 need identifies a net station need of three (3) stations.

5. Provide projected utilization of the proposed facility for the first three full years of operation. For existing facilities, also provide the intervening years between historical and projected. Include all assumptions used to make these projections.

Total home patients	4	8	11	14
Total home treatments	432	1,297	1,784	2,270

*Station count excludes 1 isolation station. Any patients included in table above requiring medically necessary isolation will have access to FKC Yakima River’s one isolation room.

Table 7 presents the projected utilization at FKC Yakima River. Given the new facility is anticipated to become operational by May 2023, the first full year of operation will be 2024.

Utilization Forecast Methodology

Please see below a description of the methodology used to construct the in-center and home patient projections.

In-Center Patients

In-center patients are projected based on the assumption that FKC Yakima River will capture part of the cumulative incremental patient demand projections from step (b) of the Department's need methodology but with modest ramp rate applied. It is assumed the number of treatments per patient is 147.4 treatments per year.

Home Patients

The three closest clinics to the proposed FKC Yakima River project are Leah Layne, Moses Lake, and Columbia Basin. Of these three facilities, Moses Lake and Columbia Basin reported home patients in the 4Q2020 NWRN modality report---representing a 26.3% ratio with those facilities' in-center patient census. The 26.3% home percentage was applied to FKC Yakima River's projected in-center patient projections discussed above to forecast home patients. It is assumed the number of treatments per patient is 162.2 treatments per year.

- 6. For existing facilities, provide patient origin zip code data for the most recent full calendar year of operation.**

Table 8. FKC Yakima River Patient Origin, 2020

This table is not applicable, as FKC Yakima River is not an existing facility.
--

- 7. Identify any factors in the planning area that could restrict patient access to dialysis services. [WAC 246-310-210\(1\), \(2\)](#).**

Patient access is critical to improving the health and quality of life of our patients. But patient access is multi-faceted and not simply represented by the aggregate number of stations available. Patients require access to the specific treatment modality and convenient hours of operation that meet their individual clinical and personal needs.

Patients with limited financial means also face additional barriers to care due to the financial burden of out-of-pocket expenses. However, RCG strives to address this issue for our patients when needed by providing charity in our Washington facilities. A copy of our charity care policy is contained in Exhibit 6.

- 8. Identify how this project will be available and accessible to low-income persons, racial and ethnic minorities, women, mentally handicapped persons, and other under-served groups. [WAC 246-310-210\(2\)](#)**

All individuals identified as needing dialysis services will have access to FKC Yakima River. FKC Yakima River's admission policies prohibit discrimination on the basis of race, income, ethnicity, sex or handicap. A copy of the admission policy is contained in Exhibit 7.

A copy of our charity care policy is contained in Exhibit 6.

9. If this project proposes either a partial or full relocation of an existing facility, provide a detailed discussion of the limitations of the current site consistent with [WAC 246-310-210\(2\)](#).

This project does not entail either a partial or full relocation. Therefore, this question is not applicable.

10. If this project proposes either a partial or full relocation of an existing facility, provide a detailed discussion of the benefits associated with relocation consistent with [WAC 246-310-210\(2\)](#).

This project does not entail either a partial or full relocation. Therefore, this question is not applicable.

11. Provide a copy of the following policies:

- **Admissions policy**
- **Charity care or financial assistance policy**
- **Patient Rights and Responsibilities policy**
- **Non-discrimination policy**
- **Any other policies directly associated with patient access (example, involuntary discharge)**

Please find attached as exhibits the following documents:

- Exhibit 6. Charity Care/Indigence Policy
- Exhibit 7A. Patient Admission Policy
- Exhibit 7B. Patient Rights and Responsibilities Policy
- Exhibit 7C. Patient Rights and Responsibilities List
- Exhibit 7D. Patient Acknowledgement of Receipt of Rights and Responsibilities
- Exhibit 7E. Patient Nondiscrimination

B. Financial Feasibility ([WAC 246-310-220](#))

Financial feasibility of a dialysis project is based on the criteria in [WAC 246-310-220](#) and [WAC 246-310-815](#).

1. **Provide documentation that demonstrates the immediate and long-range capital and operating costs of the project can be met. This should include but is not limited to:**
 - **Utilization projections.** These should be consistent with the projections provided under the Need section. Include all assumptions.
 - **Pro Forma financial projections for at least the first three full calendar years of operation.** Include all assumptions.
 - **For existing facilities proposing a station addition, provide historical revenue and expense statements, including the current year. Ensure these are in the same format as the pro forma projections. For incomplete years, identify whether the data is annualized.**

Exhibit 8 includes the required pro forma financial statements. Exhibit 8 also provides key financial pro forma assumptions and sources of information used to prepare the projections, including staffing and salaries, wages, and benefits assumptions. Unless otherwise specified, the financial projections are based on FMCNA's three closest clinics' 2020 actuals. The three closest clinics include FKC Leah Layne, FKC Moses Lake, and FKC Columbia Basin.

Utilization projections, including the assumptions used to derive the forecasts, are presented and discussed in Table 7 above and surrounding text.

2. **Provide the following agreements/contracts:**
 - **Management agreement.**
 - **Operating agreement**
 - **Medical director agreement**
 - **Development agreement**
 - **Joint Venture agreement**

Note, all agreements above must be valid through at least the first three full years following completion or have a clause with automatic renewals. Any agreements in draft form must include a document signed by both entities committing to execute the agreement as submitted following CN approval.

A medical director agreement is included in Exhibit 9. All other agreements listed above are not applicable to the current request.

3. **Provide documentation of site control. This could include either a deed to the site or a lease agreement for the site. If a lease agreement is provided, the terms must be for at least five years following project completion.**

Included in Exhibit 10A is a lease agreement between Eastwa LLC (LANDLORD) and Renal Care Group Northwest, Inc. (TENANT). Exhibit 10B contains property information from the Yakima County Assessor's Office identifying Eastwa LLC (LANDLORD) is the owner of the property.

4. **Provide county assessor information and zoning information for the site. If zoning information for the site is unclear, provide documentation or letter from the municipal authorities showing the proposed project is allowable at the identified site.**

Please see Exhibit 10C for zoning information related to the planned site documenting that the property is zoning for clinic use.

5. **Complete the table below with the estimated capital expenditure associated with this project. Capital expenditure for the purposes of dialysis applications is defined under [WAC 246-310-800\(3\)](#). If you have other line items not listed below, include the definition of the line item. Include all assumptions used to create the capital expenditure estimate.**

Total Estimated Capital Expenditure	\$2,797,676

6. Identify the entity responsible for the estimated capital costs identified above. If more than one entity is responsible, provide breakdown of percentages and amounts for all.

Please see the tables included under Table 9 above. A breakdown of percentages by responsible party is provided below.

- FMCNA 100% and Landlord 0%.

7. Provide a non-binding contractor's estimate for the construction costs for the project.

Please see Exhibit 11.

8. Provide a detailed narrative regarding how the project would or would not impact costs and charges for services. [WAC 246-310-220](#).

This project has no impact on either charges or payment, as reimbursement for kidney dialysis services is based on a prospective composite per diem rate. In the case of government payers, reimbursement is based on CMS (Center for Medicaid and Medicare) fee schedules which have nothing to do with capital expenditures by providers such as FMCNA. In the case of private sector payers, FMCNA negotiates national, state, and regional contracts with payers. These negotiated agreements include consideration/negotiation over a number of variables, including number of covered lives being negotiated; the provider's accessibility, including hours of operation; quality of care; the provider's patient education and outreach; its performance measures such as morbidity and/or mortality rates; and increasingly, consideration of more broad performance/quality measures, such as the CMS Quality Incentive Program ("QIP") Total Performance Score ("TPS").²

FMCNA does not negotiate any of its contracts at the facility-level, thus, the capital costs associated with the proposed FKC Yakima River project would have no impact on payer negotiations or levels of reimbursement. In this regard, facility-level activities, such as number of FTEs, operating expenses or capital expenditures have no effect on negotiated rates, since such negotiations do not consider facility-level operations. As such, the proposed FKC Yakima River project will have no effect on rates FMCNA would receive in the Yakima County Dialysis Planning Area.

9. Provide documentation that the costs of the project, including any construction costs, will not result in an unreasonable impact on the costs and charges for healthservices in the planning area. [WAC 246-310-220](#).

See our response above for an explanation of the basis for FMCNA reimbursement. As described above, FMCNA does not negotiate any of its contracts at the facility-level, thus, the capital costs associated with the proposed FKC Yakima River project will have no impact on payer negotiations or levels of reimbursement.

² Please see: <http://www.cms.gov/Medicare/Quality-Initiatives-Patient-Assessment-Instruments/ESRDQIP/>

As a follow-up to this question regarding impacts on costs, charges and reimbursement, and what elements make up reimbursement, which is what the question focuses on, it should be noted that CMS has implemented QIP with the express purpose of linking payment for care directly to providers' performance on quality of care measures.³ Over time, all payers will adapt some or all of these same standards, and will increasingly tie reimbursement to TPS measures.

10. Provide the historical and projected payer mix by revenue and by patients using the example table below. If “other” is a category, define what is included in “other.”

Table 10. FKC Yakima River Dialysis Center, Payer Mix, by Revenue and by Patient

Payor Class	Mix Based on Treatments	Mix based on Revenue
Medicare	65.7%	42.2%

*Based on FKC Leah Layne, FKC Moses Lake, and FKC Columbia Basin's 2020 actuals.

**Projected is assumed to be based on historical.

11. If this project anticipates changes in payer mix percentages from historical to project, provide a brief explanation of why the changes are anticipated and any underlying assumptions.

The project's projected payer mix is based on FKC Leah Layne, FKC Moses Lake, and FKC Columbia Basin's 2020 actuals.

³ As stated on the CMS website, referenced above, the ESRD QIP will reduce payments to ESRD facilities that do not meet or exceed certain performance standards. The maximum payment reduction CMS can apply to any facility is two percent. This reduction will apply to all payments for services performed by the facility receiving the reduction during the applicable payment year (PY). Payment reductions result when a facility's overall score on applicable measures does not meet established standards. CMS publicly reports facility ESRD QIP scores; these scores are available online on [Dialysis Facility Compare](#).

12. Provide a listing of all new equipment proposed for this project. The list should include estimated costs for the equipment. If no new equipment is required, explain.

Please see Exhibit 12 for a list of new equipment.

13. Identify the source(s) of financing (loan, grant, gifts, etc.) and provide supporting documentation from the source. Examples of supporting documentation include: a letter from the applicant's CFO committing to pay for the project or draft terms from a financial institution.

RCG will use existing reserves from its parent company, FMCNA, to fund this project. Exhibit 13 includes a letter from Mr. Mark Fawcett, Senior Vice President and Treasurer, attesting to the availability of funds and a commitment to this project

14. If this project will be debt financed through a financial institution, provide a repayment schedule showing interest and principal amount for each year over which the debt will be amortized. [WAC 246-310-220](#)

This is not applicable to the proposed project.

15. Provide the applicant's audited financial statements covering at least the most recent three years. [WAC 246-310-220](#)

Audited financial statements are included in Exhibit 14.

C. Structure and Process (Quality) of Care ([WAC 246-310-230](#))

- 1. Provide a table that shows FTEs [full time equivalents] by category for the proposed facility. If the facility is currently in operation, include at least the last three full years of operation, the current year, and the first three full years of operation following project completion. There should be no gaps in years. All staff categories should be defined.**

Projected FTE staffing, by position and clinical setting, is provided below in Table 11.

- 2. Provide the assumptions used to project the number and types of FTEs identified for this project.**

Information and assumptions used to prepare Table 11 include:

- The wage and salary figures are based on three closest facilities' 2020 data. They are held constant over the forecast period.
- It is assumed a FTE ("full time equivalent") employee works 2,080 hours per year.
- Non-productive hours are estimated at 10% of productive hours, based on FMC experience.
- Benefits are calculated at 28.4% of wages and salaries based on the three facilities' 2020 data.
- The staff to patient ratio matrix below was used to construct minimum FTE counts for the projection years based on future patient counts presented in Table 7.

	Staff to Patient Ratios (FTE Staff)
PCT (1)	1:8
RN (2)	1:20
Equipment Technician (3)	1:125
Social Worker (3)	1:125
Dietician (3)	1:125
Secretary (3)	1:125
Nurse Manager (4)	1

- (1) A PCT works two shifts of patients each day, with 4 patients per shift.
- (2) A RN works two shifts of patients per day, with 10 patients per shift.
- (3) These FTEs are staffed based on staff-to-patient ratios identified in the table.
- (4) The Center for Medicare and Medicaid (“CMS”) requires that a dialysis facility be staffed with one FTE manager, irrespective of size of the facility or number of patients.

3. Identify the salaries, wages, and employee benefits for each FTE category.

Salary and benefit information, by FTE category and clinical setting, is contained in the pro forma financials (Exhibit 8).

4. Provide the name and professional license number of the current or proposed medical director. If not already disclosed under 210(1) identify if the medical director is an employee or under contract.

FKC Yakima River will contract with Rubin Chandran, MD for medical director services. Dr. Chandran’s professional license number is MD00044264. A copy of the Medical Director agreement is included in Exhibit 9.

5. Identify key staff, if known. (nurse manager, clinical director, etc.)

FKC Yakima River is not an existing facility. Therefore, its key staff are not yet known.

6. For existing facilities, provide names and professional license numbers for current credentialed staff.

Please see Table 12 below.

Table 12. Names and License Numbers of Current Staff at FKC Yakima River

This table is not applicable, as FKC Yakima River is not an existing facility.
--

7. Describe your methods for staff recruitment and retention. If any barriers to staff recruitment exist in the planning area, provide a detailed description of your plan to staff this project.

By virtue of the proposed geographic location, we anticipate recruiting staff from Yakima County as well as from neighboring counties. To be effective in staff recruitment and retention, RCG offers competitive wage and benefit packages. Further, to ensure that we have adequate staff across all our facilities in Washington, we have built a local float pool of WA Licensed Patient Care Techs and RN's to ensure we have coverage for patient care. FMCNA also has an internal staffing agency, Fresenius Travel, in which we can request assistance. We also have the capability of using outside staffing agencies to fill critical needs.

8. Provide a listing of proposed ancillary and support agreements for the facility. For existing facilities, provide a listing of the vendors.

Please see Table 13 below for a list of anticipated vendors (based on FKC Leah Layne and FKC Moses Lake).

9. For existing facilities, provide a listing of ancillary and support service vendors already in place.

FKC Yakima River is not an existing facility. Therefore, this question is not applicable.

10. For new facilities, provide a listing of ancillary and support services that will be established.

Please see our response above for a list of anticipated ancillary and support services.

11. Provide a listing of ancillary and support services that would be provided on site and those provided through a parent corporation off site.

All patient care and support services except senior management, financial, legal, planning, marketing, architectural/construction and research and development are provided on-site at each clinic.

12. Identify whether any of the existing ancillary or support agreements are expected to change as a result of this project.

FKC Yakima River is not an existing facility. Therefore, this question is not applicable.

13. Provide a listing of ancillary and support services that would be provided on site and those provided through a parent corporation off site.

See response to #11 above.

14. If the dialysis center is currently operating, provide a listing of healthcare facilities with which the dialysis center has working relationships.

FKC Yakima River is not an existing facility. Therefore, this question is not applicable.

15. For new a new facility, provide a listing of healthcare facilities that the dialysis center would establish working relationships.

FKC Yakima River will establish a working relationship with Virginia Mason Memorial hospital and other facilities that the closest FMCNA clinic, FKC Leah Layne, has such as: Avalon Health Care, Coventry House, and Gevalia Hope.

16. Provide a copy of the existing or proposed transfer agreement with a local hospital.

See Exhibit 15 for a draft transfer agreement. FMCNA will accept a condition requiring that it provide a copy of the executed agreement prior to operation if this project was approved.

17. Clarify whether any of the existing working relationships would change as a result of this project.

FKC Yakima River is not an existing facility. Therefore, this question is not applicable.

18. Fully describe any history in the last three calendar years of the applicant concerning the actions noted in Certificate of Need rules and regulations [WAC246-310-230\(5\)\(a\)](#). If there is such history, provide documentation that the proposed project will be operated in a manner that ensures safe and adequate care to the public to be served and in conformance with applicable federal and state requirements. This could include a corporate integrity agreement or plan of correction.

FMCNA is committed to conducting its business activities in compliance with applicable law. The company has long maintained a corporate compliance program which includes a Code of Ethics and Business Conduct, ongoing compliance related education and training for employees, a Compliance Department to support the company and its employees with compliance concerns, including a compliance line for anonymous reporting, and monitoring and auditing of business activities.

FMCNA, as one of the largest dialysis providers in the country, is routinely involved in claims, lawsuits, regulatory matters and investigations in the ordinary course of business. As for matters responsive to the application questions, FMCNA has no history of criminal convictions relating to the ownership or operation of a health care facility within the United States within the last three (3) calendar years.⁴ FMCNA also has no history of license revocations or decertifications for facilities in Washington State. In the past three (3) years, a dialysis facility located in Coeur D Alene, Idaho (Fresenius Kidney Care North Idaho) was decertified on November 22, 2019.

⁴ Fresenius Medical Care Holdings, Inc. d/b/a Fresenius Medical Care North America, the parent company of the applicant, is also the parent company to numerous other subsidiary companies which offer a range of health care services and products in North America. For the purpose of responding to questions 18 and 19, the applicant is responding to such questions with respect to dialysis clinics owned, operated or managed by Fresenius Medical Care Holdings, Inc. and its subsidiaries.

19. Identify whether any facility or practitioner associated with this application has a history of the actions listed below. If so, provide evidence that the proposed or existing facility can and will be operated in a manner that ensures safe and adequate care to the public and conforms to applicable federal and state requirements. WAC 246-310-230(3) and (5).

- **A criminal conviction which is reasonably related to the applicant's competency to exercise responsibility for the ownership or operation of a healthcare facility; or**
- **A revocation of a license to operate a healthcare facility; or**
- **A revocation of a license to practice as a health professional; or**
- **Decertification as a provider of services in the Medicare or Medicaid program because of a failure to comply with applicable federal conditions of participation.**

Please see response to question 18. Additionally, FMCNA performs background checks on all newly hired employees. FMCNA validates the professional licenses and/or certifications of certain employee categories as required by federal, state or local laws and regulations. FMCNA screens current and new employees, potential new employees, Medical Directors, attending physicians, physician extenders (e.g., NP's, PA's), independent contractors, and vendors against the Office of Inspector General's List of Excluded Individuals/Entities and the General Services Administration's List of Parties Excluded from Federal Programs, as well as state specific exclusion lists, OFAC, etc. FMCNA will not engage a person or company that is excluded from participating in federally funded health care programs such as Medicare.

Individuals or entities may be excluded for committing healthcare fraud or committing other crimes with impact on the federal government. Individuals may also be excluded for things like defaulting on federal school loans. In some situations, an individual may be reinstated from their exclusion. However, while the individual or entity is on the exclusion list, FMCNA will not hire or allow them to perform work for the company.

As of the date of this application, to the best of the applicant's knowledge, no practitioner associated with this application has a history of the actions listed above.

20. Provide documentation that the proposed project will promote continuity in the provision of health care services in the planning area, and not result in an unwarranted fragmentation of services. [WAC 246-310-230](#)

The establishment of a new facility in the Yakima Dialysis Planning Area in Yakima, owned and operated by RCG, will not only ensure timely access to dialysis services, but it will also realize efficiency, coordination and continuity of care through shared System-level staff, administration and other functions.

Further, there is net need in the planning area that requires an increase in capacity to be able to accommodate planning area demand and prevent unnecessary and burdensome out-migration.

Therefore, the development of the FKC Yakima River will not lead to fragmentation of care, but rather prevent it by reducing out-migration and ensure care is accessible in the community.

21. Provide documentation that the proposed project will have an appropriate relationship to the service area's existing health care system as required in [WAC 246-310-230](#).

FMCNA has been a dialysis provider in Washington for several years and has a history of establishing relationships within the region, including but not limited to it's Leah Layne, Moses Lake, and Columbia Basin facilities. FKC Yakima River will establish relationships with area transit providers, nursing homes, and local hospitals.

D. Cost Containment ([WAC 246-310-240](#))

16. Identify all alternatives considered prior to submitting this project.

The following two options were evaluated in the alternatives analysis:

- Option One: Establish new 11-station and one-isolation facility—The Project
- Option Two: Postponing the request—Do Nothing

17. Provide a comparison of the project with alternatives rejected by the applicant. Include the rationale for considering this project to be superior to the rejected alternatives. Factors to consider can include, but are not limited to: patient access to healthcare services, capital cost, legal restrictions, staffing impacts, quality of care, and cost or operation efficiency.

Please see Tables 14-17, respectively. They provide a summary of advantages and disadvantages of each of the two options based on the following evaluative criteria: Promoting availability, or access to healthcare services; Promoting Quality of Care; Promoting Cost and Operating Efficiency; and Legal Restrictions.

Table 14. Alternatives Analysis: Promoting Access to Healthcare Services.

Option:	Advantages/Disadvantages:
Option One Establish new 11-station and one-isolation facility—The Project	<ul style="list-style-type: none">• Adds additional dialysis stations to the Planning Area, as warranted by WAC 246-310-812. (Advantage (“A”))• Residents of the Planning Area will be better able to access needed facility dialysis services--improves access. (A)
Option Two Do nothing	<ul style="list-style-type: none">• Would do nothing to improve access (Disadvantage (“D”)).

Table 15. Alternatives Analysis: Promoting Quality of Care.

Option:	Advantages/Disadvantages:
Option One Establish new 11-station and one-isolation facility—The Project	<ul style="list-style-type: none"> • Adds additional dialysis station capacity. This promotes access, reduces fragmentation, thus, promotes quality (A). • Residents of the Planning Area would have increased dialysis station capacity--this improves quality of care inasmuch as it improves continuity of care (A).
Option Two Do nothing	<ul style="list-style-type: none"> • Planning Area residents will need to out-migrate to receive care and do so in increasing numbers without added capacity. As such, patient care will be fragmented, which harms access and quality of care (D)

Table 16. Alternatives Analysis: Promoting Cost and Operating Efficiency.

Option:	Advantages/Disadvantages:
Option One Establish new 11-station and one-isolation facility—The Project	<ul style="list-style-type: none"> • By increasing access, preventing out-migration, this option will be efficient and less costly for planning area residents. (A)
Option Two Do nothing	<ul style="list-style-type: none"> • Capital and operating costs would be least under this option, since there would be none (A). • Suffers from significant disadvantages by not promoting access. Forces patients to continue to out-migrate, which is inefficient and costly for planning area residents (D).

Table 17. Alternatives Analysis: Legal Restrictions.

Option:	Advantages/Disadvantages:
Option One Establish new 11-station and one-isolation facility—The Project	<ul style="list-style-type: none"> • This option requires certificate-of-need approval.
Option Two Do nothing	<ul style="list-style-type: none"> • There are no legal implications with this option.

18. For existing facilities, identify your closest two facilities as required in [WAC 246-310-827\(3\)\(a\)](#).

This question is not applicable as FKC Yakima River will be a new facility.

19. For new facilities, identify your closest three facilities as required in [WAC 246-310-827\(3\)\(b\)](#).

The three closest facilities include:

FKC Leah Layne
530 S 1st Ave.
Othello, WA 99344

FKC Moses Lake
847A E Broadway Ave
Moses Lake, WA 98837

FKC Columbia Basin
6600 W Rio Grande Ave
Kennewick, WA 99336

20. Do any other applications you submitted under this concurrent review cycle rely on the same facilities listed in response to questions 3 or 4? If yes, identify the applications. [WAC 246-310-827\(3\)\(c\)](#). (Note: A maximum of two applications can rely on the same three facilities.)

No, FMCNA does not rely on the same three facilities for multiple applications this cycle.

21. Identify whether any aspects of the facility's design could lead to operational efficiency. This could include but is not limited to: LEED building, water filtration, or the methods for construction, etc. [WAC 246-310-240\(2\) and \(3\)](#).

FKC Yakima River will meet RCG and FMCNA internal standards which have been engineered and tested to ensure that they support our high quality, efficient and patient-focused standards. Our standards also meet and or exceed all applicable state and local codes, including compliance with the State Energy Code, latest edition.

Patient Admission

Admission Process All admissions must be processed through Patient Admission Services (PAS). Patient Admission Services (PAS) will receive patient information and medical records from referral sources. The PAS will disseminate this information to the appropriate departments responsible for medically and financially clearing the patients. Upon receipt of the referral for admission, the facility will be notified of the pending admission by PAS to confirm placement.

Patient Admission Services will obtain medical records and collaborate with the verification office to financially clear the patient.

Patient Transfer to another FKC Facility The Clinical Manager or his/her designee must contact Patient Admission Services when the patient transfers to a different FKC facility. Patient Admission Services will initiate the transfer.

Medical Clearance A patient shall be medically cleared for treatment when dialysis treatment is deemed indicated and appropriate according to the clinical judgment of the patient's attending physician. In the case where the Medical Director determines the patient is too acutely ill or not appropriate for outpatient dialysis care, then the decision for admission to the facility shall be made by the Governing Body.

Special Circumstances Admission Requests Requests to admit a patient with an external device such as left ventricular assist device (LVAD), continuous medication infusion, or LifeVest Defibrillator or other non-routine request requires approval from the corporate Medical Office.

Staff must review the [Admission, Handling and Safe Movement of the Morbidly Obese Patient Policy](#) before admission to the facility to ensure the

facility can safely care for a morbidly obese patient. The Governing Body will make the determination to accept or deny the patient based on special considerations outlined in the policy.

Emergency Admission - Transfer

Patients may need to be transferred emergently in situations related to unplanned emergencies caused by severe weather, fire or other serious facility operating problems such as water treatment failure or other unexpected problems leading to facility closure. An emergency transfer is not expected to extend beyond 30 days and patients are expected to return to their “home” facility to continue their treatments when operations are able to resume. The emergency data entry process may be used for emergency transfers.

Non-emergent situations such as a planned closure or an individual treatment at another facility after a missed a treatment, or unplanned after-hours admissions must be handled according to the current process of admitting a patient.

Click the link for additional information on entering data in the clinical systems during any emergency: [Guidelines for Emergency Preparedness Policy](#).

Medical Record Requirements

Patient Admission Services will collect the required information needed to admit a patient

At a minimum, the required documents to admit a patient include:

- History and Physical or nephrology consult note or discharge summary or the most recent physician progress note
- Hepatitis B panel (HBsAg, anti-HBs, anti-HBc)
 - If unable to obtain full panel:

- For patients new to dialysis: at a minimum a Hepatitis B surface antigen (HBsAg) result obtained within 30 days prior to the admission date
- For transient or transfer patients: All patients must have a documented hepatitis B antigen (HBsAg) **or** antibody (HBsAb) result prior to admission to the facility. HBsAg results must have been reported within 30 days of admission. If the patient has hepatitis antibodies (HBsAb), the results must have been reported within the past 12 months. Any discrepancies or questions related to admitting a patient and/or a patient's hepatitis results should be reported by the Clinical Manager to their Corporate Clinical Quality Manager.
 - Current medication list and allergies
 - Dialysis orders or the last treatment sheet
 - For transients/travelers only: A PPD Test or Chest X-ray within **one** year.

NOTE: On occasion, admitting facilities request additional medical information over the minimum required documents listed above. Patient Admission Services will attempt to get this information. However, inability to provide this information by the referring facility will not affect the admission of the patient.

**Patients with
Prior
Behavioral
Issues**

A referred patient who has exhibited behavioral issues in the hospital, at another FKC or non-FKC facility or during the admission process and could be a threat to the health and safety of patients or staff may be denied admission to the dialysis facility.

Patient Admission

The decision to admit a patient who has exhibited behavioral issues shall be made by the facility management in collaboration with the patient’s attending physician and the Medical Director.

**Who is
Authorized to
Sign
Admission
Documents?**

Patients must have the mental capacity/competency to consent to treatment and sign admission forms for treatment to be given in the facility, except as described below. The facility staff cannot make determinations regarding mental capacity and competency and must presume competence unless a physician has declared the patient incompetent.

If a patient has been deemed by a physician to lack the mental capacity/competency to consent to treatment, a Legally Authorized Person may consent to the patient’s treatment and may sign the admission forms. In the rare instance that the legally authorized person is unavailable to sign the consent in person, the documents may be mailed, emailed, or faxed to the Legally Authorized Person for signature. The patient cannot be admitted and treated until the clinic receives the signed documents. The original signed documents must be faxed or mailed back to the facility to maintain in the patient’s medical record.

In the unusual instance when in person or fax options cannot be accomplished, the facility should reach out to their Division Legal Counsel or Compliance for additional guidance.

NOTE: State laws vary on who may consent to treatment on the patient’s behalf if the patient lacks capacity or competency to consent. In some states, family members or persons permitted by state law may consent to the patient’s treatment and sign the admission forms even if such persons do not hold a power of attorney for healthcare or healthcare proxy as the Law Department will determine.

Patient Admission

For purposes of this Policy, a ‘Legally Authorized Person’ is as follows:

- a) The patient’s legal guardian or someone who holds a valid power of attorney for healthcare/healthcare proxy or who may sign on behalf of the patient under state law as determined by the Law Department.
- b) A parent or legal guardian if the patient is a minor.

NOTE: If there is any doubt the person is authorized to sign admission forms, contact the Law Department.

**Patient
Appears
Unable to
Consent for
Treatment**

If a patient comes for his or her first treatment and does not appear to have the mental capacity/competency to sign the admitting documents, the nurse:

- must notify the patient’s attending physician of the patient’s perceived incapacity to understand and his/her inability to consent, and
- should seek confirmation whether a medical determination of incompetency or lack of capacity has been made in the medical record consistent with state law.
- If the patient is deemed incompetent by the physician, the staff should attempt to contact any emergency contacts listed on the patient’s admission paperwork in an attempt to find a family member who can
 - Provide proof of guardianship/power of attorney for healthcare or healthcare proxy (which must be provided at the time of admission, prior to treatment being provided), or
 - Assist in providing valid consent to treatment, if permitted under state law, or who can obtain legal authority/guardianship to represent the patient.
- The patient cannot be dialyzed if:
 - The patient has been deemed by a physician to be incompetent or to lack mental capacity consistent with state law, and
 - The patient does not have an appropriate legal guardian or an agent with a valid healthcare power of attorney or healthcare proxy, and

Required Documents That Must Be Signed Prior to First Dialysis Treatment

The Clinical Manager or designee will conduct an admission interview with all new patients.

The following documents must be reviewed with and signed by the patient and/or the patient's Legally Authorized Person before or at the patient's first scheduled dialysis treatment:

- Admission Agreement

- A driver’s license, a state issued identification card, a passport, insurance cards or a birth certificate. (These documents will be copied and maintained in a separate folder for each patient. When the patient is discharged, they will be placed in the closed medical record.)
- If the patient does not bring in the required documents within 6 treatments, the Clinical Manager or Director of Operations must escalate to the Lead Social Worker who can review the situation and assist with obtaining the identification documents.

Failure to produce 2 forms of identification alone is not cause for discharge. Refer to the [Routine and Involuntary Patient Discharge Policy](#), [Routine and Involuntary Patient Discharge Policy Addendum](#) and the [Routine and Involuntary Patient Discharge Procedure](#) for guidance on discharging a patient.

FKC Notice of Privacy Practice

A copy of the “FKC Notice of Privacy Practices (NPP)” must be given to each patient that is receiving direct care from an FKC provider prior to the patient’s first treatment (see Privacy Notice Procedure COR-COMP-PS-0-001-001C1).

Patients have the right to review this Notice of Privacy Practices prior to signing the “Acknowledgement of Receipt of the NPP” form (See COR-COMP-PS-0-001-001D3). The “Acknowledgement of Receipt of the NPP” form should be signed by the patient or Legally Authorized Person, prior to the patient’s first treatment from an FKC direct provider of care. This form serves as an acknowledgement of receipt of the FKC Notice of Privacy Practices.

NOTE: This form is **not** a condition for treatment. If the patient refuses to sign the acknowledgement form, the FKC staff should document the efforts that were made to obtain the patient’s or Legally Authorized Person’s

Policy

Patient Rights and Responsibilities

Policy All patients and/or their representatives will be informed of their rights (including privacy rights) and responsibilities.

Patient rights and the ability to exercise these rights must be protected by the facility.

The FMCNA Patient Rights and Responsibilities brochure explains the rights patients can expect to have while receiving treatment at this facility. The brochure also provides guidance as to certain responsibilities that are expected of the patient.

Each patient will be informed of their rights and given a copy of the FMCNA Patient Rights and Responsibilities within the first six (6) treatments in the facility. More in-depth discussions with patients about their rights and responsibilities are expected. These discussions may occur over a longer period of time.

Facilities should ensure that this information is provided to patients in a manner they can understand. For example, providing the FMCNA Patient Rights and Responsibilities brochure in the patient’s primary language or having it interpreted based on assessment of the patient’s language and reading preferences, or enlisting the aid of communication aids or interpreters for patients who are blind or have low vision, or are deaf or hard of hearing.

Dialysis facilities must prominently display a copy of the patient’s rights in a visible and accessible area in the facility and must include contact information for the State survey agency and ESRD Network.

The FMCNA Patient Rights and Responsibilities brochures are available in English and Spanish. They may be purchased from the FMS Marketing Online Ordering Center. Audio versions in English and Spanish may also be ordered through the FMS Marketing Online Ordering Center.

Patient Rights and Responsibilities

**Policy:
Privacy Rights**

Patients have the right to privately discuss their condition and treatment. There should be ready access to a room in the facility where patient and/or family meetings may be held in private.

Patients have the right to privacy during activities that may require the exposure of private body parts while in the dialysis facility. Privacy screens or curtains may be used to provide privacy. Blankets may also be used as long as staff are able to observe the patient’s vascular access, bloodline connections, and face at all times.

Patients or their representatives must be provided unbiased education about transplantation and all dialysis treatment options regardless of whether these options are available in the current facility.

**Failure to
Protect
Patients’ Rights**

Evidence of failure to treat patients with respect and dignity, provide an opportunity for private communication, or prevent exposure of private body areas resulting in emotional discomfort for the patient, and evidence that cognizant patients/designees are not aware of their options for treatment or available grievance mechanisms could result in the facility receiving a Condition level citation.

What Responsibilities Do You Have?

You are the most important person on your health care team. This is because a lot of what determines how well you feel and the quality of your life depends on the daily decisions that you make.

You have the responsibility to:

Speak Up to Help Us Protect Your Health & Safety

- Tell the staff if you don't understand your treatment plan or any instructions.
- Tell the staff if something doesn't feel or look safe, or right.
- Involve your family or significant others in your care, when needed.
- Inform the staff if you have had health problems since your last treatment.
- Actively participate in your plan of care.

Choose Healthy Behaviors

- Take charge of your healthcare, to the best of your ability.
- Learn as much as you can about your healthcare needs.
- Cooperate, to the best of your ability, with your diet, medication, and dialysis treatment plans.
- Take care of, protect, and learn about your dialysis access - it's your lifeline!
- For your safety, make sure your face and dialysis access are uncovered and visible to staff at all times during your treatment.
- **Call the Fresenius Medical Care Disaster Line (1-800-626-1297)** if a disaster occurs and you cannot reach your facility.

Get Your Full Dialysis Treatment

- Tell the staff if your treatments are so uncomfortable that you will be unable to complete or attend your treatments. They will try to help.
- Arrive on time for your treatments or clinic visits.
- Let the staff know as early as possible if you are going to be late or miss a treatment or appointment and reschedule.
- Arrange transportation to and from treatment. Inform staff right away if your transportation needs change.
- Make sure you have a backup transportation plan in case you need it.
- For your safety, arrange to have someone with you when you come to dialysis, if you need help getting into or out of your vehicle or in and out of the facility. Staff are strongly discouraged from leaving the facility to assist an arriving or departing patient. Leaving the facility to assist a patient outside could result in a health or safety risk to the employee, the patient being assisted and/or other patients in the treatment area.

Be Considerate of Other Patients and Staff

- Respect the personal rights and property of other patients & staff.
- Maintain the confidentiality of any information you witness or hear while in the facility. This includes:
 - Not recording, writing down or discussing the personal health information or other confidential information of other patients.
 - Not using any form of photography, video or audio recordings of any kind anywhere within the facility.
 - Follow the rules of the facility that have been developed to provide protection, safety, and quality care to all patients.
 - Behave appropriately. This means not acting in a way that makes other people in the clinic uncomfortable or afraid for their safety, such as threatening, cursing, yelling, using sexually suggestive words, or inappropriate touching.
 - Understand that patients and/or visitors may not solicit or distribute for any purpose on FKC premises (including FKC clinics and the waiting area of such clinics), unless approved, in advance, by the FKC Compliance Officer and/or FMCNA human resources.
 - Understand that weapons of any kind are not allowed in the facility. This means not bringing any items that can be used as a weapon. Bringing weapons to the facility or making threats against others or the facility may be grounds for immediate dismissal from the facility.
 - Understand that alcoholic beverages or illicit (street) drugs are not allowed in the facility. Patients who come to dialysis under the influence of these substances put themselves at a health risk and may require hospitalization or police involvement.
 - Make sure your visitors follow the same rules as patients.

Provide Updated Information to Staff

- Notify the facility if you have a new address or contact information.
- Inform the facility right away if you obtain new insurance coverage or there are any changes in insurance.
- Inform the facility if you decide to receive dialysis at another facility or stop dialysis.

Remember: By taking advantage of your rights and fulfilling your responsibilities, you may be able to improve your health and the quality of your life.

Pro Forma Assumptions

Patient Volumes

Utilization projections, including the assumptions used to derive the forecasts, are presented in the application text.

It is assumed the number of treatments per patient is 147.4/year for in-center and 162.2/year for home based on the three closest facilities 2020 full year utilization. There is an adjustment in 2023 to reflect only partial year utilization

Revenues

Revenues and payer mix are based on CY2020 data from the three closest facilities ("actuals"). Revenues are calculated by payer and treatment. Bad debt and charity care are subtracted from revenues to yield net revenue figures.

Charity Care

Calculated at 0.88% of revenue based on the experience of Fresenius' facilities in Washington State.

Bad Debt

Calculated on a per treatment basis from actuals.

Expenses

Unless otherwise noted, expenses have been calculated based on CY2020 per treatment actuals from three closest facilities multiplied by projected number of treatments

Personnel expenses are based on identified patient to staff ratios and incorporates a 10% non-productive factor. Wage figures have been compiled from actuals.

(New) Rent Expense: see Section 3.1 in the lease agreement. Rent commencement is anticipated to be February 2022 per Section 2.1.

Other Property: other property expenses (property tax, CAM) is assumed to be 14.7% of base rent based on CY2020 actuals from the three closest facilities.

Project-related Depreciation is straight-line; assumes 10 years on leaseholds and 8 years on equipment.

Physician Compensation: commencement is anticipated to be at 1st patient treated (May 2023), consistent with MDA Section 3.01.1. Annual compensation initially is \$60,000 (Section 3.01.1). Further, a 2.50% fee escalator is applied at the each anniversary (Section 3.01.2)

Exhibit 9.
Medical Director Agreement

MEDICAL DIRECTOR AGREEMENT
Renasolve, Inc.

This Medical Director Agreement (“**Agreement**”), dated as of the last date of signature by a party hereto (“**Effective Date**”), is between Renal Care Group Northwest, Inc., a Delaware Corporation, (“**Company**”), Renasolve, Inc., a business entity organized in Washington (“**Consultant**”), and, for the limited purposes stated herein, Member Physicians who become parties hereto from time to time. This Agreement memorializes the terms on which Consultant has agreed to provide Medical Director Services to certain dialysis operations of Company.

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be bound hereby, the parties hereto agree as follows:

Capitalized terms used herein and not otherwise defined shall have the meanings set forth on **Exhibit A**.

1. **ENGAGEMENT.** Company hereby engages Consultant to provide Medical Director Services to the Dialysis Operations, and Consultant agrees to provide such Medical Director Services on the terms and conditions set forth herein.
2. **TERM.** The term of this Agreement shall begin on the Effective Date and shall continue for 5 years from the Commencement Date unless sooner terminated as provided herein.
3. **COMPENSATION.**

3.01 **Fee.**

3.01.1 **Annual Compensation.** During the term of, and subject to, this Agreement and commencing as of the date on which the first patient of the Dialysis Operations is treated or trained, whichever occurs first (the “**Commencement Date**”), Company shall pay Consultant based on an annual rate (“**Fee**”) as set forth in Table 1 below, prorated for partial years and payable in arrears on or before the last day of each month in equal monthly installments:

Table 1

Facility/Program Information		
Facility ID	Facility Name	Compensation
	Yakima	\$60,000.00

3.01.2 **Fee Escalator.** As of the first anniversary of the Commencement Date and as of each anniversary thereafter to and including the fourth anniversary, the Fee shall increase at an annual rate of 2.50 percent.

3.01.3 Fee Reopener. Upon written notice provided by either party (a “**New Fee Notice**”) no later than thirty (30) days prior to the third anniversary of the Commencement Date (“Reopener Date”), the parties agree to negotiate, in good faith, a new Fee (“**New Fee**”) which represents fair market value for the services to be provided by Consultant for the period beginning the first day of the month following the Reopener Date. Such New Fee shall be payable to Consultant for the period beginning on the later of the first day of the month following the Reopener Date or the first day of the month after the amendment reflecting the New Fee has been executed by the parties hereto. If, within 30 (thirty) days of the commencement of negotiations, the parties are unable to agree upon a New Fee, then each party shall appoint an arbitrator from a list of arbitrators recognized by the American Health Lawyers Association (AHLA) Alternative Dispute Resolution Services and such appointed arbitrators shall appoint a third arbitrator from the list and that single arbitrator will be retained to determine the New Fee in accordance with the rules of the AHLA Alternative Dispute Resolution Service then in effect. If the AHLA Alternative Dispute Resolution Service is no longer available, then arbitrators shall be chosen from a list provided by the American Arbitration Association and such arbitration shall be conducted in accordance with the Commercial Rules of the American Arbitration Association then in effect. The parties shall irrevocably grant the arbitrator the authority to determine the New Fee based on any and all data and information available to the arbitrator. Arbitration shall be binding for settlement of the determination of the New Fee. The parties shall share the costs of arbitrator equally. Each party shall bear its own expenses of preparation for arbitration. The New Fee, as determined during the arbitration, shall be payable as of the date of the arbitration decision. At the request of any party, the parties shall prepare and execute an amendment reflecting the New Fee. If neither party sends a New Fee Notice thirty (30) days before the Reopener Date, Company shall continue to pay Consultant the Fee then in effect.

3.02 Adjustments.

3.02.1 Upon any Partial Termination, the Fee shall be reduced by the Fee amount specifically allocated to the Dialysis Operation to which the Partial Termination applies, or if no such specific allocation is provided herein, by an amount that reflects the reduction in workload of Consultant due to the Partial Termination as agreed by the parties. Upon any Temporary Suspension, the Fee may be reduced as agreed by the parties to reflect the reduction in workload and subject to a maximum reduction equal to the Fee amount specifically allocated to the Dialysis Operation to which the Temporary Suspension applies. If, as of the first Fee payment due date after a Partial Termination or Temporary Suspension, the parties are required hereunder to reach agreement on the Fee reduction but have not agreed, Company may reduce the Fee by an amount determined by it and such amount shall be held as cash reserves until such time as the parties agree. Company may make adjustments to the payments due to Consultant hereunder at any time to true up any adjustments in the Fee permitted hereunder.

3.02.2 In addition, the obligation to pay the Fee or a portion thereof related to the applicable Dialysis Operation may be temporarily suspended and not paid or accrued for any period of time during which a substitute Medical Director is required to be designated and approved hereunder but is not actually designated or approved and providing services.

3.03 General. The parties agree that the Fee payable hereunder shall be in consideration for all services to be provided hereunder and all covenants herein including, but not limited to, the restrictive covenants set forth in **Section 6**. The parties represent that, as of the date this Agreement is signed, the Fee is fair market value for services rendered based upon arm's length bargaining and is consistent with the value of similar services. Furthermore, the parties represent that the Fee is not and has not been determined in a manner that takes into account the volume or value of any referrals or business otherwise generated between the parties for which payment may be made in whole or in part under any other public healthcare program. Upon receipt by Company from Consultant of W-9 (available at www.irs.gov) and wire transfer instructions (form available in Medical Director Handbook), Company shall pay the Fee by wire transfer pursuant to such instructions. To the extent otherwise unpaid and overdue, Company may deduct from the Fee the fair market value of Company space, facilities, supplies, equipment, staff time or any other item or service actually utilized by Consultant or any of its affiliated physicians for any purpose not reasonably related to the performance of Medical Director Services hereunder. Consultant represents and warrants to Company that its affiliated physicians, if any, are not compensated by Consultant based on the volume or value of their referrals to any Dialysis Operation. Consultant also represents and warrants to Company that Consultant has not been formed for the sole purpose of entering into this Agreement.

4. OBLIGATIONS OF CONSULTANT.

4.01 Initial Designation and Qualifications of Medical Directors

4.01.1 *Designation*. Prior to the Commencement Date, Consultant shall designate a physician at each Dialysis Operation who shall perform the Medical Director Services on behalf of Consultant at such Dialysis Operation and who shall be deemed the Medical Director for such Dialysis Operation; provided, however if Consultant party to this Agreement is an individual, such individual shall be the Medical Director. Consultant acknowledges and agrees that if a Facility has different designated Medical Directors for the in-center and home dialysis programs operated at or administered by same Facility, the Medical Director of the home dialysis program shall report to the Medical Director of the in-center dialysis program from which the home dialysis program is administered and that the Medical Director of the in-center program shall be accountable for all Medical Director Services rendered for such Facility and shall be deemed the Medical Director of such Facility for regulatory purposes. At all times, each physician designated as a Medical Director, and each physician providing coverage for a Medical Director in accordance herewith, (a) shall meet the requirements of this **Section 4** when providing services hereunder, (b) shall be designated in writing in advance and (c) shall be subject to Company's prior written approval. If unavailable, the Medical Director shall arrange for coverage by a physician who meets the requirements hereunder and shall provide the Director of Operations/Area Manager and the Clinical or Facility Manager with prior notice as to the physician providing such coverage and the duration of such coverage. A Medical Director shall not be required to devote

the entire working day to duties hereunder (with the exception of on-call responsibilities), but will continue the practice of medicine independently of Company.

4.01.3 *Qualifications.* Each Medical Director and any physician providing coverage for a Medical Director shall at all times meet of the following requirements unless waived in writing by Company:

6.02 Covenant Regarding Confidential Information. Consultant and each Member Physician acknowledge that in the course of performing the duties contemplated by this Agreement, Consultant and each Member Physician will become privy to and/or have access to Confidential Information. Throughout the term of this Agreement and at any time thereafter, Consultant and each Member Physician shall not, and their employees and agents shall not, (a) disclose to any person, firm, corporation or entity any Confidential Information of Company or its Affiliates without the prior written consent of Company, except as may be required by law or legal process or (b) use any Confidential Information except in furtherance of the performance of their obligations owed to Company hereunder. 6.04 Nonsolicitation Covenant. During the Restricted Period, Consultant and each Medical Director and Member Physician agree not to, directly or indirectly, by or for themselves, as agent of another, or through others as their agent, (a) interfere with Company's relationship with any patient, employee, independent contractor, referral or reimbursement source, patient, supplier, insurer or other payor (a "**Constituent**"), (b) induce any Constituent to terminate, reduce or otherwise modify its relationship with Company or its Affiliates or (c) solicit any Constituent for any such purpose; provided however, to the extent any Member Physician practices medicine, nothing herein shall restrict the clinical medical advice provided by any Member Physician to patients, nothing herein shall restrict any Member Physician from meeting ethical obligations owed to patients with regard to continuation of care, and each Member Physician is expressly permitted to fulfill such ethical obligations. Each Member Physician acknowledges that patients treated by Company are patients of Company and that Company has a legitimate and enforceable interest in retaining the goodwill of its business through the retention of its patients to the extent that their clinical needs can be fully met through Company resources.

6.05 Joinder Requirement for Member Physicians. Consultant shall cause each Member Physician upon the execution of this Agreement or on the date that such physician becomes a Member Physician, whichever is later, to execute this Agreement as a Member Physician or to execute a Joinder Agreement substantially in the form attached hereto as **Exhibit D** (the "**Joinder Requirement**"). Notwithstanding the foregoing restriction, Consultant shall not be precluded from engaging the services of a locum tenens physician or other similar physician on a periodic and infrequent basis so long as such physician does not provide services for or on behalf of Consultant under this Agreement. The parties hereby acknowledge Company does not in any way encourage or support Consultant's placing limitations or restrictions (in employment agreements or otherwise) on providers or entities to whom Consultant's employed or affiliated physicians may refer patients or other business.

6.06 Former Member Physicians. Any Member Physician who ceases to be a Member Physician during the Restricted Period shall be deemed a "**Former Member Physician.**" Each Member Physician agrees that, if he or she becomes a Former Member Physician, the provisions of **Section 6** shall still apply to such physician as if he or she were still a Member Physician. Company and each Member Physician agree that if such physician violates the covenants contained in this **Section 6** while he or she is a Former Member Physician, the Restricted Period applicable to the Former Member Physician shall be extended automatically for an additional period equal to the period from the date on which such violation commenced (x) until the date on which the Former Member Physician ceases such violation, or (y) through and including the date of the final determination of a court that Former Member Physician did violate such restrictions. Such extension of the term of the Restricted Period shall be in addition to, and not in lieu of, any other remedies available to Company.

6.09 Remedies; Survival. Consultant and each Member Physician have carefully considered the nature and extent of the restrictive covenants as described in this **Section 6** (collectively, "**Restrictive Covenants**"). Consultant and each Member Physician hereby acknowledge and agree that the Restrictive Covenants (a) are reasonable with respect to time, scope and territory, (b) are reasonable and necessary for the protection of the legitimate business interests of Company and its Affiliates and (c) are designed to eliminate competition which otherwise would be unfair to Company and its Affiliates, (d) will not prevent Consultant or each Member Physician from practicing medicine or nephrology in the community where they currently practice, (e) do not confer a benefit upon Company and its Affiliates disproportionate to the detriment to Consultant or Member Physician and (f) are not designed or intended in any manner to influence or impact the referral of healthcare business to Company or its Affiliates. Consultant and each Member Physician acknowledge and agree that (x) irreparable injury will result to Company and its Affiliates if Consultant or Member Physician breaches any of the terms of the Restrictive Covenants, and (y) upon any actual or threatened breach of any Restrictive Covenant, Company and its Affiliates will have no adequate remedy at law and they shall be entitled to injunctive and other equitable relief, without bond and without the necessity of showing actual monetary damages, including without limitation, immediate temporary injunctive relief. Nothing contained herein shall be construed as prohibiting Company and its Affiliates from pursuing other remedies available to them for such breach or threatened breach, including, but not limited to, the recovery of monetary damages. If a court of competent jurisdiction determines that any portion of the Restrictive Covenants are unreasonable, then restrictions contained in the Restrictive Covenants shall be reduced and any other modifications shall be made by the court to the extent necessary for this **Section 6** to be enforced by the court. The provisions of this **Section 6** shall survive the expiration or termination of this Agreement.

Consultant agrees that if, at any time during the term of this Agreement, a conflict of interest or incompatibility presents itself, Consultant will notify Company in writing within three (3) business days and agrees to promptly recuse himself/herself from the situation, so as not to create even the appearance of impropriety.

g. Consultant represents that Consultant undertakes, at all times, to refrain from any action or inaction that may constitute, directly or indirectly, a patient referral or other business opportunity towards Fresenius Medical Care, with the expectation of obtaining anything of value in return.

8.03 Limited Renegotiation.

8.03.1 Notwithstanding anything to the contrary in this Agreement, if the terms of this Agreement (a) become unlawful or unenforceable, (b) materially and adversely affect a party's or its Affiliate's licensure, accreditation, certification, or ability to refer, accept any referral, bill, present a bill or claim, or receive payment from any payor or (c) subjects a party to a substantial risk of prosecution or civil monetary penalty, then (i) the unaffected provisions of this Agreement shall continue in full force and effect and (ii) either party, upon written notice ("**Renegotiation Notice**") to the other party may initiate renegotiation of the affected terms of this Agreement to restore, if possible, the intent and purpose of the affected provisions in the Agreement and to modify the Agreement as necessary so that such Agreement does not cause such adverse result.

8.03.2 If the parties are unable in good faith to come to a mutually satisfactory resolution regarding the affected terms of the Agreement and have failed to amend the Agreement (or enter into a new Agreement) within ninety (90) days from the date the Renegotiation Notice was received, then, unless the parties mutually agree otherwise in writing, the parties shall utilize binding arbitration in accordance with this Section to modify the Agreement as necessary so that such Agreement does not cause an adverse event.

8.03.3 The above referenced arbitration shall be triggered by one party's providing the other party written notice of the arbitration required under this Section. Upon a party's receipt of such written notice, both parties shall promptly appoint an arbitrator from a list of arbitrators recognized by the American Health Lawyers Association (AHLA) Alternative Dispute Resolution Services. In accordance with the rules of the AHLA Alternative Dispute Resolution Service then in effect, such appointed arbitrators will appoint a third arbitrator from the list and the three arbitrators shall hear the parties and make the determination as to necessary modifications to the Agreement to remedy the adverse event. If AHLA or the AHLA Alternative Dispute Resolution Service is no longer in effect, then such arbitrators shall be chosen from a list provided by the American Arbitration Association in the same manner as set forth above, and such arbitration shall be conducted in accordance with the Commercial Rules of the American Arbitration Association then in effect. The parties shall irrevocably grant the arbitrators the authority to determine the modifications necessary to the Agreement to remedy the adverse result. Arbitration shall be binding for settlement of the modifications necessary to the Agreement as stated in the foregoing sentence. The parties agree to execute any agreement immediately to memorialize such

modifications to the Agreement. The parties shall share the costs of such arbitrators equally between them. Each party shall bear its own expenses of preparation for arbitration.

9. GENERAL.

9.01 Independent Contractor. The parties agree Consultant and Medical Directors have not been, and will not be chosen as an inducement or reward for any past, current or future Company business transaction, opportunity, or government approval or concession, and that the selection process has not been, and will not be based on the volume or value of referrals provided by, or anticipated from, Consultant, any Medical Director or any affiliated person or entity. Consultant is acting and performing services hereunder as an independent contractor, and each Medical Director is acting and performing the Medical Director Services on behalf of and as an employee or independent contractor of Consultant. No Medical Director shall be considered an employee for purposes of any Company employment policy or employment benefit plan, and will not be entitled to any benefits under any such policy or benefit plan. Except as expressly set forth herein or as may be required by applicable law, Company shall neither have nor exercise any control or direction over the methods by which Consultant shall perform the duties hereunder, and Company shall not control how Medical Director Services are accomplished hereunder, as long as such duties are performed as required by this Agreement. Consultant shall be solely responsible for, and shall indemnify and hold Company harmless for payment of, all taxes due on all amounts paid to Consultant hereunder and for all employment taxes for all employees of Consultant. The parties shall cooperate if any taxing Authority asserts that Consultant or any Medical Director is not an independent contractor under this Agreement.

9.02 Assignment. This Agreement shall be binding on the successors and permitted assigns of the parties. Consultant and Member Physicians shall not assign or subcontract this Agreement or assign or subcontract any of their rights hereunder without Company's prior written consent, which may be withheld in Company's sole discretion. Company may assign this Agreement to any of Company's Affiliates or to any successor in interest to the assets and operations of Company without the consent of any other party hereto. This Agreement shall be enforceable by or against any permitted assigns hereunder. Any attempted assignment of this Agreement in violation of the provisions of this section is void.

9.03 Merger, Modification and Waiver. This Agreement contains the entire agreement of the parties with respect to its subject matter and as of the date this Agreement is fully executed, supersedes all previous and contemporaneous agreements and understandings, expressed or implied, oral or written, between the parties with respect to the subject matter hereof. The failure of the parties to insist on strict performance of the provisions of this Agreement shall not be construed as a waiver of such provision or of any other default of the same or similar nature. No waiver, modification or change of any of its provisions shall be valid unless in writing and signed by the parties. One party's waiver of any default by the other party of any provision of this Agreement is not a waiver of any other default and shall not affect the right of that party to require performance of the defaulted provision at any future time. All representations herein survive the execution and delivery of this Agreement

9.04 Severability. If any term of this Agreement is determined to be invalid or unenforceable, the remainder of this Agreement shall not be affected and shall be given effect to the fullest extent permitted by law; provided however, if the severed provision materially deprives a party of the benefits of this Agreement, including without limitation the benefits of Section 6, then such party may terminate this Agreement by notice to the other party.

9.05 Applicable Law. This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Washington.

9.06 Books and Records. If required by Section 952 of the Omnibus Reconciliation Act of 1980 (Section 1861(v)(1)(I) of the Social Security Act), as amended, and the regulations promulgated thereunder, the books and records of Consultant necessary to certify the nature and extent of costs associated with Consultant's performance of services under this Agreement shall be preserved by Consultant for such period of time as provided by law so as to be available for and subject to inspection by appropriate agencies of the United States. In addition, if and to the extent that Consultant uses the services of a related organization to provide services hereunder, Consultant will require such related organization to preserve and make available its books and records to the same extent Consultant is so required. If this Agreement is not subject to the provisions of Section 952 or regulations promulgated thereunder, this section of the Agreement shall be null and void. The provisions of this Section shall survive the expiration or termination of this Agreement.

9.07 Notices. All notices pursuant to this Agreement shall be in writing and shall be deemed duly given and properly served: (a) when delivered personally (with written confirmation of receipt), (b) two (2) business days after being mailed to the addressee by registered or certified mail, postage prepaid, return receipt requested, or (c) when received by the addressee if sent by a recognized express delivery service, in each case, to a party at the address as set forth below or at such other address as may be furnished by such party in accordance with these notice requirements:

9.09 Indemnification.

9.09.1 Consultant shall indemnify and hold harmless Company and its Affiliates from any and all liability, claims, damages, and expenses (including but not limited to reasonable attorneys' fees) which it may incur as a result of the negligence or willful misconduct of Consultant, a Medical Director and/or a Member Physician, or any of their Affiliates, agents or employees, or the breach by Consultant, a Medical Director or a Member Physician of a representation or covenant in this Agreement. The provisions of this Section shall survive the expiration or termination of this Agreement.

9.10 No Conflicts. Consultant and each Member Physician represent and warrant to Company that the execution, delivery and performance of this Agreement by Consultant and each Member Physician does not conflict with or result in a breach (or any event which with notice or lapse of time or both, would result in a breach) of any other obligation of Consultant or any Member Physician.

9.11 Joint Effort; Headings. The preparation of this Agreement has been the joint effort of the parties, and the resulting document shall not be construed more severely against one of the parties than the other. The headings of sections in this Agreement are for convenience only and shall not affect or limit the interpretation of its provisions.

9.12 Attachments; Priority of Documents. All attachments (including but not limited Exhibits) to this Agreement are incorporated herein by reference and made a part of this Agreement. To the extent that any provision of any attachment hereto conflicts or is contrary to this Agreement, then the provisions of any Addendum first shall govern and then the provisions of this Agreement shall govern.

9.13 Authorized Signature. This Agreement shall not be deemed accepted by Company unless and until signed by an authorized officer of Company. No other act or writing by an agent of Company shall cause this Agreement to be a binding contract on Company.

9.14 Force Majeure. No party shall be in default for any delay or failure to perform any of its obligations under this Agreement resulting directly or indirectly from any acts of God, civil

or military authority, terrorism, war, civil disobedience, accidents, fires, explosions, failure of transportation, machinery or supplies, vandalism, work interruptions by its employees or independent contractors or any similar cause beyond its reasonable control. Notwithstanding the foregoing, each party shall, at all times, use commercially reasonable efforts to perform its obligations under this Agreement.

9.15 Counterparts; Electronic Execution. This Agreement may be executed in any number of counterparts with the same effect as if all the parties had signed the same document. Such executions may be transmitted by facsimile, e-signature, email or other electronic transmission and are to be deemed for all purposes to have been executed and delivered by that party to the other party.

Landlord shall provide Tenant all reasonably requested documentation to effectuate said EFT payments within thirty (30) days from Tenant's written request. The Base Rent for the first full calendar month of the Initial Term shall be paid no later than fifteen (15) days after the Commencement Date. If any payment of Base Rent is for a period shorter than one full calendar month, Base Rent for that fractional calendar month shall accrue on a daily basis at a rate equal to 1/365 of the annual Base Rent.

3.2. Base Rent for Option Terms. Base Rent for the first year of each Option Term shall be equal to an amount that is the Base Rent paid during the 12-month period immediately preceding the commencement of the applicable Option Term increased by ~~1.2%~~ 1.5%. Thereafter, Base Rent shall increase annually by ~~1.2%~~ 2.9% for the remainder of the Option Term.

3.3. Late Payment of Base Rent. If Landlord does not receive any payment of Base Rent within five (5) days after that Rent is due, interest shall accrue on such unpaid Base Rent at the rate of ten percent (10%) per annum until fully paid by Tenant.

4.1. Tenant's Proportionate Share. Subject to Tenant's re-measurement of the rentable square footage of the Building and the Premises pursuant to Section 1.4 of this Lease, Tenant's Proportionate Share of the Building is equal to 42.75%. If either the Premises or the Building is expanded or reduced, Tenant's Proportionate Share shall be appropriately adjusted. Tenant's Proportionate Share for the calendar year in which such a change occurs shall be determined on the basis of the number of days in which each Tenant's Proportionate Share was in effect.

ARTICLE 5 - ADDITIONAL RENT

5.1. Additional Rent. In addition to paying the Base Rent specified in Article 3, Tenant shall pay Tenant's Proportionate Share of the annual Operating Expenses and Tax Expenses (as such terms are defined in Sections 5.2, 5.3, and 5.4 below) (Operating Expenses and Tax Expenses are hereby referred to collectively hereafter as "Additional Rent"). 5.3.1. Capital Expenditures. Expenses incurred by Landlord that are considered to be capital improvements or capital replacements but that are not intended as a labor saving device pursuant to this Section 5.3.1 or under generally accepted accounting and management practices shall not be included in Operating Expenses. Notwithstanding the foregoing, Landlord may charge as an Operating Expense any capital expenditures intended to reduce Operating Expenses or affect economies in the operation, maintenance, or repair of the Building provided that Landlord shall provide Tenant with (i) an estimate of the amount of reduction in Operating Expenses anticipated as a result of that capital improvement or replacement, (ii) an estimate of the cost of the capital improvement and Tenant's Proportionate Share of the annual amortization charge of that capital expenditure, and (iii) reasonably sufficient information to support those estimates. All capital improvements or capital replacement expenditures included in Operating Expenses shall be amortized over Landlord's commercially reasonable determination of the useful life of that capital improvement or replacement in accordance with Generally Accepted Accounting Principles.

5.4 Tax Expenses. "Tax Expenses" means all federal, state, county, or local government or municipal taxes, fees, charges, or other impositions of every kind (whether general, special, ordinary, or extraordinary) that are paid or incurred by Landlord during any calendar year (without regard to any different fiscal year used by any government or municipal authority) because of or in connection with the ownership, leasing, and/or operation of the Property or the Building. Tax Expenses shall include taxes, fees, and charges such as real property taxes, general and special assessments, transit taxes, leasehold taxes, and taxes based on the receipt of rent (including gross receipts or sales taxes applicable to the receipt of rent, unless required to be paid by Tenant). Tenant and Landlord acknowledge that assessments, taxes, fees, levies, and charges may be imposed by government agencies for services such as fire protection, street, sidewalk, and road maintenance, conservation, refuse removal, and other governmental services formerly provided without charge to property owners or occupants. Tax Expenses shall also include any government or private assessments (or the Building's contribution toward a government or private cost-sharing agreement) for the purpose of augmenting or improving the quality of services and amenities normally provided by government agencies. Tenant and Landlord intend that all new and increased assessments, taxes, fees, levies, and charges and all similar assessments, taxes, fees, levies, and charges be included within the definition of "Tax Expenses" for purposes of this Lease.

5.4.1. Excluded Taxes. Notwithstanding the provisions of Section 5.4, all excess profits taxes, franchise taxes, gift taxes, capital stock taxes, inheritance and succession taxes, estate taxes, federal and state income taxes, and other taxes applied or measured by Landlord's gross or net income shall not be included in Tax Expenses.

5.4.2. Adjustment of Taxes. Tenant shall pay Tenant's Proportionate Share of any supplemental or additional assessment received by Landlord within thirty (30) days of the date

that Landlord provides Tenant with written notice of the same and a copy of all documentation evidencing such supplemental or additional assessment. This provision shall survive the expiration or earlier termination of this Lease.

5.5. Payment of Estimated Operating Expenses and Tax Expenses. On or before December 31st of each year during the Lease Term, Landlord shall provide Tenant with a statement detailing Landlord's reasonable estimate of the Operating Expenses and Tax Expenses for the upcoming calendar year (the "Estimated Statement") and a calculation showing the Landlord's estimate of Tenant's Proportionate Share of such expenses. Tenant shall pay to Landlord, one-twelfth (1/12) of Tenant's Proportionate Share of Landlord's estimate of Operating Expenses and Tax Expenses each month together with Tenant's payment of Base Rent.

5.6. Annual Reconciliation of Operating Expenses and Tax Expenses. On or before April 15th of each year, Landlord shall provide Tenant with a statement showing the actual Operating Expenses and Tax Expenses for the previous calendar year (the "Actual Expenses Statement"). Landlord shall indicate on Actual Expenses Statement whether there is a shortfall or overpayment by Tenant in its payment of Operating Expenses and/or Tax Expenses for the prior calendar year. If a shortfall exists, Tenant shall pay, within thirty (30) days of receipt of the Actual Expenses Statement, the full amount of that shortfall. If an excess exists, Landlord shall refund the full amount of such excess to Tenant within thirty (30) days. No interest shall accrue on any shortfall or overpayment by Tenant of the estimated Operating Expenses and Tax Expenses. Should Landlord fail to reimburse Tenant hereunder, Tenant shall have the right to offset Base Rent and Additional Rent.

5.7. Landlord's Books and Records; Tenant's Audit Rights. Upon written notice to Landlord, Tenant and/or its authorized representatives may examine, inspect, audit, and copy the records of Landlord concerning Operating Expenses and Tax Expenses for the two (2) prior calendar years of the Lease Term at Landlord's office during normal business hours. If Tenant's audit reveals that Landlord overstated the actual Operating Expenses and/or Tax Expenses for any calendar year, Tenant shall submit a written claim to Landlord ("Tenant's Audit Claim") that shall describe in detail how the Operating Expenses and/or Tax Expenses have been overstated. If Tenant's audit reveals that the Operating Expenses and Tax Expenses taken as a whole were overstated by at least three percent (3%), Landlord shall pay for Tenant's reasonable costs not to exceed \$500.00 of conducting the audit. Otherwise, Tenant shall pay its own costs.

5.7.1. Resolution of Tenant's Audit. If Landlord agrees with Tenant's Audit Claim, Landlord shall reimburse Tenant for Tenant's overpayment or Tenant shall pay Landlord for any shortfall, within thirty (30) days. If Landlord disputes the results of Tenant's audit, the parties shall agree on a certified public accounting firm to conduct its own independent audit of the Operating Expenses and Tax Expenses for the calendar year or years in question. The parties shall cooperate with such accounting firm so that it can make a determination as to the validity of Tenant's Audit Claim. The determination of the accounting firm shall be given to the parties with sixty (60) days and shall be final and binding upon the parties. Upon the conclusion of the accounting firm's audit, all amounts owed by Landlord to Tenant or by Tenant to Landlord, as the case may be, shall be made within ten (10) days. The parties shall share the costs of retaining the accounting firm equally. Should Landlord fail to reimburse Tenant hereunder, Tenant shall have the right to offset Base Rent and Additional Rent.

5.7.2. Confidentiality. Tenant shall keep any information gained from the inspection of Landlord's records, books, and general ledger confidential and shall not disclose any information contained therein to any other party, except as required by law. If requested by Landlord, Tenant shall require those employees or agents inspecting Landlord's records, books, and general ledger to sign a confidentiality agreement prior to their inspection and review of the same.

5.8. Time Limitation to Bill Tenant for Operating Expenses and Tax Expenses. In no event shall Tenant be required to pay Tenant's Proportionate Share of any Operating Expenses or Tax Expenses that Landlord failed to bill Tenant for and that accrued more than two (2) years prior to the date that Tenant is notified by Landlord of such expenses. In addition, Landlord may not seek reimbursement from Tenant due to an adjustment in Operating Expenses or Tax Expenses more than two (2) years after furnishing an Actual Expenses Statement to Tenant.

ARTICLE 6 - USE AND COMPLIANCE WITH LAWS

6.1. Permitted Use. Tenant shall use and occupy the Premises for the purpose of an outpatient dialysis facility and related medical, office and administrative uses. Tenant shall not use or occupy the Premises for any other purpose without Landlord's prior written consent, which shall not be unreasonably withheld, conditioned, or delayed. Tenant shall not conduct any activity in the Premises that are excessively noisy or offensive, or in a manner that violates federal, state, county, city, or government agency laws, statutes, ordinances, standards, rules, requirements, or orders now in force or hereafter enacted, promulgated, or issued (collectively, "Laws"). Tenant may operate on the Premises, at Tenant's option, on a three hundred sixty-five (365) days a year, seven (7) days a week, twenty-four (24) hours-a-day basis, subject, however, to zoning and other regulatory requirements.

6.2. Condition of Premises; Repairs and Replacements. Tenant shall keep the Premises in a neat and orderly fashion during the Lease Term. Tenant, at Tenant's sole expense, shall promptly make all repairs, replacements, alterations, or improvements to the Premises including its Tenant Improvements (as defined in Article 7), Alterations (as defined in Article 8), fixtures, and furnishings, in order to comply with all Laws to the extent that such Laws relate to or are triggered by Tenant's particular use of the Premises. Notwithstanding the foregoing, Tenant shall not be obligated to make any structural changes to the Building. Landlord, at Landlord's sole expense, shall promptly make all repairs, replacements, alterations, or improvements, retrofitting, or remediation needed to comply with all Laws to the extent that such Laws apply to the Building as a whole, or any of its structural components or mechanical or electrical systems.

6.3. Compliance with Building Rules and Regulations. Tenant shall comply in all material respects with the Building's Rules and Regulations attached to this Lease as Exhibit B and any reasonable amendments or additions promulgated by Landlord during the Lease Term for the safety, care, and cleanliness of the Premises, Building, and Property or for the preservation of good order. No amendment or addition to the Building's Rules and Regulations shall be binding on Tenant until the tenth (10th) business day after Tenant receives written notice of the change, and in no event shall the Building's Rules and Regulations take precedence over the specific terms and conditions of this Lease. Landlord shall enforce the Building's Rules and Regulations in a nondiscriminatory manner and, whenever necessary, shall use its authority under leases with other tenants to ensure that such other tenants of the Building also comply with the Building's Rules and Regulations.

ARTICLE 7 -TENANT IMPROVEMENTS

7.1. Tenant Improvements. Tenant shall submit plans and specifications for its initial improvements ("Tenant Improvements") to Landlord for approval, which shall not be unreasonably withheld, conditioned or delayed, and which shall be deemed granted if Landlord does not respond within ten (10) business days of Tenant's submission. Landlord hereby grants Tenant and its contractors, agents, equipment and materials suppliers, and subcontractors a license to access the Property, the Building and the Premises for purposes of delivering supplies and constructing the Tenant Improvements. During the construction of the Tenant Improvements, Tenant shall submit all changes to its plans and specifications to Landlord for approval, which shall not be unreasonably withheld, conditioned or delayed, and which shall be deemed granted if Landlord does not respond within five (5) business days of Tenant's request.

7.2. Construction Requirements. Tenant shall obtain all building and other permits or licenses required for the work. The Tenant Improvements shall be constructed in a good and workmanlike manner using quality materials and using licensed and insured contractors. During construction of the Tenant Improvements, Tenant shall use reasonable efforts not to disturb other tenants in the Building. Promptly after completion of the Tenant Improvements, Tenant shall procure a certificate of occupancy for the Premises from the applicable authorities. Copies of each such permit, license and certificate obtained by Tenant pursuant to this Section 7.2 shall be delivered to Landlord. Subject to the terms of Article 10 of this Lease, Tenant covenants not to suffer any mechanic's liens to be filed against the Property, Building or Premises by reason of any work, labor, services or materials performed at or furnished to the Premises by Tenant, or by anyone acting through or on behalf of Tenant related to the construction of the Tenant Improvements.

7.3. Tenant Allowance. Landlord shall provide Tenant an allowance equal to \$40.00 per square foot (the "Tenant Allowance") in order to allow Tenant to construct the Tenant Improvements. Tenant shall submit to Landlord (a) copies of all invoices or payment applications received by Tenant as part of its construction of the Tenant Improvements up to the amount of the Tenant Allowance; and (b) lien waivers and lien releases from all contractors and subcontractors for said invoices or payment applications whose total value of services provided to Tenant exceeds Ten Thousand Dollars (\$10,000). Landlord shall, within thirty (30) days of Tenant's submission of the foregoing documentation, pay the full amount of the Tenant Allowance to Tenant regardless of the ultimate cost incurred by Tenant to complete the construction of the Tenant Improvements. Any charges incurred by Tenant over and above the amount of the Tenant Allowance shall be borne by Tenant.

7.3.1. Failure to Provide Tenant Allowance. The failure of Landlord to pay the Tenant Allowance to Tenant pursuant to the terms of this Article 7 shall be deemed a material breach of this Lease and the following provisions shall apply:

- (a) Interest shall accrue on the unpaid portion of the Tenant Allowance at the rate of 18% per annum, unless such rate exceeds the maximum rate permitted by law, in which case interest shall accrue on such unpaid amounts at the maximum legal rate; and

- (b) Tenant may deduct the full amount of the unpaid portion of the Tenant Allowance, and any interest accrued thereon, from Tenant's monthly payments of Base Rent and Additional Rent until such time that Landlord pays the full amount of the Tenant Allowance.

ARTICLE 8 - ALTERATIONS

8.1. General. Tenant may remodel the Premises during the Lease Term in accordance with the terms and conditions of Section 8.2 of this Lease. In addition, without the necessity of obtaining Landlord's consent, Tenant may install such counters, partitions, walls, shelving, fixtures, fittings, machinery and equipment in the Premises as Tenant deems necessary to conduct its business. Tenant may also install a television or satellite antenna on the roof of the Premises, flues and wall or roof penetrations and an emergency generator in a location close in proximity to the Premises. Tenant shall cooperate with Landlord with respect to the location and method of installation of such equipment.

8.2. Prohibited Alterations; Landlord's Consent Required. Notwithstanding anything contained in Section 8.1, Tenant shall not be permitted to make any alteration or modification to the Premises after the Commencement Date which either (a) costs more than Two Hundred Thousand Dollars (\$200,000) in each instance or (b) affects the structural, electrical, mechanical or life safety systems of the Building, without Landlord's prior written consent, which consent shall not be unreasonably withheld, conditioned, or delayed. The Alterations for which Landlord may reasonably withhold consent include those that would:

- (a) Adversely impact the structural integrity of the Building or any of its mechanical and electrical systems;
- (b) Result in Landlord being required to perform any work pursuant to any Law that Landlord could otherwise avoid or defer, unless Tenant agrees in writing to pay for the entire cost of the of such additional work;
- (c) Result in a material increase in the demand for utilities or services that Landlord is required to provide, unless Tenant agrees in writing to pay for the additional cost of such utilities; or
- (d) Cause an increase in the premiums for hazard or liability insurance carried by Landlord, including builder's risk premiums during construction, unless Tenant agrees in writing to pay the amount of the increase in such premiums.

8.2.1. Consent Procedure. Tenant shall request Landlord's consent by submitting the plans and specifications for its proposed Alterations to Landlord, and Landlord shall have ten (10) days thereafter to review such plans and specifications. If Landlord fails to give or withhold its consent in writing to Tenant within such ten (10) day period, Landlord shall be deemed to have given its consent to Tenant's proposed Alterations.

8.3. Compliance with Laws and Insurance Requirements. Tenant shall ensure that its construction of all Alterations complies with all Laws and any applicable requirements. Tenant shall obtain all permits that may be required by any governmental entity having jurisdiction over the Premises.

8.4. Manner of Construction and Payment. Tenant shall have the right to use contractors and subcontractors of its choosing. All work relating to any Alterations shall be done in a good and workmanlike manner, using materials equivalent in quality to those used in the construction of

the Tenant Improvements. The construction of Alterations by Tenant shall be diligently prosecuted to completion, and Tenant shall ensure that all work is performed in a manner that does not obstruct access to or through the Building or the Common Areas. In addition, Tenant shall take reasonable steps to ensure that its construction does not interfere either with other tenants' use of their premises or with any other work being undertaken by Landlord in the Building.

8.5. Payment for Alterations. Tenant shall promptly pay all charges and costs incurred in connection with its construction of all Alterations. Subject to the terms of Article 10 of this Lease, Tenant covenants not to suffer any mechanic's liens to be filed against the Property, Building or Premises by reason of any work, labor, services or materials performed at or furnished to the Premises by Tenant, or by anyone acting through or on behalf of Tenant related to the construction of any Alteration.

ARTICLE 9 - REPAIRS AND MAINTENANCE

9.1. Tenant's Repair and Maintenance Obligations. During the Lease Term, Tenant shall at its sole cost and expense keep and maintain the non-structural portions of the interior of the Premises, including all Tenant Improvements and Alterations, in good order and repair and free of refuse and rubbish.

9.2. Landlord's Repair and Maintenance Obligations. During the Lease Term, Landlord shall, without expense to Tenant, except as otherwise provided in Section 5.2, maintain and make all necessary repairs and/or replacements to the Common Areas of the Property, and to the exterior portions and structural portions of the Premises and Building, including, without limitation: concrete floor slab, foundations, structure, load bearing walls, exterior walls, the roof and roof supports, columns, retaining walls, gutters, downspouts, flashings, and footings.

9.3. Limitations on Repair and Maintenance Obligations and Defaults. All of the foregoing in this Article 9 notwithstanding, neither Landlord nor Tenant shall be obligated to perform any maintenance, repair or replacement necessitated by the negligence or willful misconduct of the other party, or of the other's employees, contractors, or agents. The party whose negligence or willful misconduct caused the need for such maintenance, repair or replacement shall be responsible for same, at its sole cost. Neither party shall be in default of its repair and maintenance obligations under this Article 9 if Landlord or Tenant, as the case may be, begins performing repairs and maintenance and, due to the nature of the particular repair or maintenance obligation, more than thirty (30) days are reasonably required to complete such work and the responsible party is diligently prosecuting such work to completion.

ARTICLE 10 - COVENANT AGAINST LIENS

10.1. Covenant Against Liens. Tenant shall not permit mechanics' or other liens to be placed upon the Property, Building, or Premises or Tenant's leasehold interest therein. Landlord shall have the right to post and record notices of non-responsibility in the Premises during Tenant's construction of the Tenant Improvements or any Alteration. Within ninety (90) days of written notice from Landlord, Tenant shall fully discharge any lien by settlement, bonding, or insuring over the lien in the manner prescribed by the applicable lien Law. Nothing contained in this Section 10.1 shall restrict or prohibit Tenant from initiating a legal action or defending itself in an existing legal proceeding to determine the validity of any lien or attachment. In all such

cases, Tenant shall indemnify, protect, defend, and hold Landlord harmless from and against all claims, demands, causes of action loss, damage, liability, costs, and expenses (including attorneys fees and court costs) relating to such liens and attachments. In no event shall Tenant be in default under the terms of this Lease so long as Tenant is diligently pursuing the full discharge of any lien placed upon the Property, Building or Premises, as the case may be.

ARTICLE 11 - ENTRY BY LANDLORD

11.1. Landlord's Access to Premises. Tenant shall permit Landlord or its agent to enter the Premises upon reasonable prior notice to (a) inspect the Premises, (b) make such alterations, maintenance, or repairs therein as may be required under this Lease or pursuant to any Law, (c) show the Premises to prospective purchasers or mortgagees or to ground or underlying landlords, or (d) serve or post all notices required by law or permitted by this Lease. In addition to the foregoing, during the last ninety (90) days of the Lease Term, Tenant shall permit Landlord to show the Premises to prospective tenants at reasonable times, and to place notices on the front of the Premises or on any part thereof offering the Premises for lease. Landlord shall exercise its rights under this Article 11 at such times and in such a manner as to minimize the impact of any interference with Tenant's business in and occupancy of the Premises.

11.1.1. Emergency Entries. Landlord and Landlord's agents may enter the Premises without any advance notice when necessary to address emergency situations. For purposes of this Section 11.1.1, an emergency situation is one that poses a threat of imminent bodily harm or property damage. If Landlord makes an emergency entry into the Premises when no authorized representative of Tenant is present, Landlord shall provide notice to Tenant as soon as reasonably possible after that entry and shall take reasonable steps to secure the Premises until a representative of Tenant arrives at the Premises.

11.2. HIPAA Compliance Provision. Landlord acknowledges that Tenant is subject to the provisions of the Health Insurance Portability and Accountability Act of 1996 and related regulations ("HIPAA"), and that HIPAA requires Tenant to ensure the safety and confidentiality of patient medical records. Landlord further acknowledges that, in order for Tenant to comply with HIPAA, Tenant must restrict access to the portions of the Premises where patient medical records are kept or stored. Landlord hereby agrees that, notwithstanding the rights granted to Landlord pursuant to this Article 11, except for an emergency entry into the Premises taken pursuant to Section 11.1.1 of this Lease or when accompanied by an authorized representative of Tenant, neither Landlord nor its employees, agents, representatives or contractors shall be permitted to enter those areas of the Premises designated by Tenant as locations where patient medical records are kept and/or stored.

11.3. Method of Entry. Landlord shall at all times have a key or, if applicable, a card key with which to unlock all the doors in the Premises except for the locations in the Premises designated by Tenant as areas where patient records are kept or stored. In an emergency situation, Landlord shall have the right to use any means that Landlord considers proper to open the doors in and to the Premises. Any such entry into the Premises by Landlord shall not be considered a forcible or unlawful entry into the Premises or an actual or constructive eviction of Tenant from any portion of the Premises.

ARTICLE 12 - HVAC, UTILITIES AND SERVICES

12.1. HVAC. During the Lease Term, Landlord shall be responsible for regular maintenance and repair of the HVAC system servicing the Premises ("HVAC"). Tenant shall reimburse Landlord for its costs related to the maintenance and repair of the HVAC as part of Operating Expenses, provided, however that Tenant shall not be responsible for costs covered under warranty. Landlord also shall be responsible for the replacement of the HVAC units or any Major Component of the HVAC (a "Major Component" will be defined as any replacement cost over \$2,500.00) during the term of the Lease. The cost of any such replacement of the HVAC units or any of the Major Component shall be paid by the Landlord and treated as a capital expenditure in accordance with Section 5.3.1. Upon the written request from Tenant, Landlord shall provide annual maintenance and repair records within thirty (30) days of said written request.

12.2. Utilities and Services. Landlord shall ensure that hot and cold water, electricity, gas, sewer, and other standard utility services for a first-class commercial building are provided to the Premises on all days during the Lease Term on a 24-hour-a-day, 7-day-a-week basis. Landlord shall also be solely responsible for and pay for the separate metering of the Premises.

Landlord shall furnish Tenant with the following services: (a) water for use in the lavatories located in the Common Areas, (b) standard janitorial service in the Common Areas on a Monday through Friday basis, (c) elevator service, and (d) such other services as Landlord reasonably determines are necessary or appropriate for the Property. Tenant, at its sole cost and expense, shall be responsible for bringing telephone service and cable or satellite television service to the Premises.

12.3. Payment of Utility Charges. Tenant shall pay or cause the payment of all charges for gas, water, sewer, electrical, telephone and other utility services supplied to the Premises during the Lease Term. Tenant shall receive all savings, credits, allowances, rebates or other incentives granted or awarded by any third party as a result of any of Tenant's utility specifications in the Premises. Should Landlord elect to supply any or all of such utilities, Tenant agrees to purchase and pay for the same that (a) the rate charged by Landlord to Tenant shall not exceed the rate charged Landlord by any supplying utility plus any expenses incurred by Landlord in connection with billing and supplying such utility service to Tenant and (b) Tenant shall not be required to pay for any utility charges that Landlord fails to notify or bill Tenant of after two (2) years. In addition, Landlord may not seek reimbursement from Tenant due to an adjustment in utility costs or charges that are more than two (2) years old.

12.4. Interruption of Utility Services. In no event shall Landlord be liable for any interruption or failure in the supply of any utility to the Premises unless such interruption was caused by the negligence or willful misconduct of Landlord or any person or entity acting on behalf of Landlord. In such event, Tenant shall be entitled to an abatement of Base Rent and Additional Rent for the period of such interruption if Landlord does not make repairs and restore all interrupted services to the Premises within two (2) business days.

ARTICLE 13 - TAXES

13.1. Payment of Tax Expenses.

(a) Landlord shall pay before due all Tax Expenses assessed against the Property. In the event that Landlord fails to pay Tax Expenses assessed against the Property prior to their due date, Tenant may make such payment on behalf of Landlord directly to the applicable authorities and thereafter deduct such amounts from future payments of Base Rent and Additional Rent. In addition, if Tenant becomes aware that the Property or the Building is being sold at a tax sale due to Landlord's delinquent payment of Tax Expenses, Tenant may pay the delinquent Tax Expenses in order to prevent such sale and thereafter deduct the following amounts from future payments of Base Rent and Additional Rent: an amount equal to the Tax Expenses and any interest or penalties thereon, all reasonable charges (including reasonable attorneys fees) incurred by Tenant in preventing such sale; and interest on all of the foregoing at the rate of 10% per annum.

(b) Landlord shall periodically contest any appealable Tax Expense agreed to be paid hereunder. In the event Landlord has not contested an appealable Tax Expense required to be paid herein under Article 5 of this Lease within the last three (3) calendar years of the Lease Term; Landlord shall, within sixty (60) days from written request of Tenant contest said appealable Tax Expense (including seeking an abatement or reduction of) as reasonably requested by Tenant. The cost of said contest shall be treated as an Operating Expense hereunder.

13.2. Payment of Personal Property Taxes. Tenant shall pay before due all taxes levied or assessed against its personal property, furniture, or fixtures placed within the Premises. If any taxes for which Tenant is liable are levied or assessed against Landlord or Landlord's property and Landlord elects to pay the same, or if the assessed value of Landlord's property is increased by the inclusion of Tenant's personal property, furniture or fixtures, then Tenant shall pay to Landlord the portion of such taxes for which Tenant is primarily liable hereunder.

Landlord and Tenant hereby mutually waive their respective rights of recovery against each other for any loss insured by the "all risk" property insurance policies existing for the benefit of the respective parties. Each party shall obtain any special endorsements, if required by their insurer to evidence compliance with the aforementioned waiver.

ARTICLE 15 - HAZARDOUS MATERIALS; MEDICAL WASTE

15.1. Definition of Hazardous Materials. Hazardous Materials shall mean any hazardous or toxic substance, material, or waste in any concentration that is or becomes regulated by the United States of America, the state in which the Property is located, or any local governmental authority having jurisdiction over the Building, and shall include:

- (a) Any "hazardous substance," as that term is defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 United States Code sections 9601-9675);
- (b) "Hazardous waste," as that term is defined in the Resource Conservation and Recovery Act of 1976 (42 United States Code sections 6901-6992k);
- (c) Any pollutant, contaminant, or hazardous, dangerous, or toxic chemical, material, or substance, within the meaning of any other applicable federal, state, or local law, regulation, ordinance, or requirement;
- (d) Petroleum products, asbestos containing materials ("ACM's") in any form or condition, and polychlorinated biphenyls ("PCB's") and substances or compounds containing ACM's or PCB's; and
- (e) Radioactive material, including any source, special nuclear, or byproduct material as defined in 42 United States Code sections 2011-2297g-4;

15.2. Representations and Warranties of Landlord. Landlord hereby represents and warrants that (a) as of the date of this Lease it has no knowledge of any Hazardous Materials located in, on, or under the Property, the Building or the Premises, (b) Landlord has provided Tenant with a copy

of all tests and reports that Landlord has conducted prior to the date of this Lease which relate to the existence of Hazardous Materials including, without limitation, a Phase 1 Study, and (c) Landlord has not received any notices or other notifications from any governmental entity that the Property, the Building or the Premises is in violation of any environmental law. In the event that a Hazardous Material of whatever kind or nature and wherever located, including, but not limited to, soil, water, building components, above ground or below ground storage containers is found to be present at the Premises, the Building, or the Property, then so long as the presence of such Hazardous Material is not the fault of Tenant, or Tenant's employees, agents, contractors or invitees, Landlord will assume full responsibility and liability for treatment of same in accordance with all applicable Laws.

15.3. *Tenant's Use of Hazardous Materials.* Except as may be required in Tenant's ordinary course of business and as provided by law, Tenant shall not cause any Hazardous Materials to be generated, brought onto, used, stored, or disposed of in or about the Property, the Building, or the Premises. Tenant shall comply at all times during the Lease Term with all Laws governing the use, storage, and disposal of Hazardous Materials, including those Laws cited in Section 15.1 of this Lease.

15.4. *Notification to Other Party.* During the Lease Term, if either Landlord or Tenant becomes aware of (a) any release of any Hazardous Material on, under, or about the Premises, the Building, or the Property or (b) any investigation, proceeding, or claim by any governmental agency regarding the presence of Hazardous Material on, under, or about the Premises or the Building, that party shall give the other party written notice of the release or investigation within three (3) days after learning of it and shall simultaneously furnish to the other party copies of any claims, notices of violation, reports, or other writings received by the party providing notice that concern the release or investigation.

15.5. *Remediation Obligations.* If the presence of any Hazardous Material brought onto the Property, the Building, or the Premises by either Landlord or Tenant or by Landlord's or Tenant's employees, agents, contractors, or invitees results in contamination of the Property, the Building or the Premises, that party shall promptly take all necessary actions, at its sole cost and expense, to return the Property, the Building, or the Premises, as the case may be, to the condition that existed before the introduction of such Hazardous Material. Unless caused by Tenant's employees, agents, contractors, or invitees, the costs of any Hazardous Material cleanup or remediation undertaken by Landlord during the Lease Term shall be borne solely by Landlord and shall not be included in Operating Expenses, unless caused by Tenant's employees, agents, contractors, or invitees. If Landlord undertakes any cleanup, remediation, detoxification, or similar action pursuant to this Section 15.5 as a result of the presence, release, or disposal in or about the Property, the Building, or the Premises of any Hazardous Material, and that action requires that Tenant be denied access or use of the Premises to conduct its business on the Premises for a period of greater than one (1) business day, Base Rent and Additional Rent payable under this Lease shall be abated for the period that Tenant is unable to conduct its business in the Premises.

15.6. *Indemnifications.* Landlord and Tenant shall, at that party's sole expense and with counsel reasonably acceptable to the other party, indemnify, defend, and hold harmless the other party and the other party's shareholders, directors, officers, employees, partners, affiliates, agents, and successors with respect to all losses arising out of or resulting from the release of any Hazardous Material in, on, under or about the Property, the Premises or the Building, or the violation of any

environmental law, by that party or that party's agents, assignees, subtenants, contractors, or invitees. This indemnification includes all losses, costs of characterization, costs of removal, remedial actions, repairs, liabilities, obligations, penalties, fines, claims, actions (including remedial or enforcement actions of any kind and administrative or judicial proceedings, orders, or judgments), damages (including consequential and punitive damages), and costs (including attorney, consultant, and expert fees and expenses) resulting from the release or violation. This indemnification shall survive the expiration or earlier termination of this Lease.

15.7. *Medical Waste.* For purposes of this Lease, "Medical Waste" shall include (i) medical devices, instruments, or paraphernalia such as syringes, sutures, swabs or wraps of any sort that are intended to come into contact with any part of the body, and (ii) biological wastes and other waste materials that results from the administration of medical care to a patient by Tenant. During the Lease Term, Tenant shall not dispose of medical waste in the trash receptacles provided by Landlord at the Property, Building, or Premises. Notwithstanding anything to the contrary contained in this Lease or any exhibit to this Lease, Tenant shall at all times during the Term have the right, in a manner consistent with applicable law, to (a) determine the kind of container in which to store medical waste in the Premises prior to its disposal, (b) dispose of medical waste generated in the Premises, and/or (c) retain the services of a licensed independent contractor to dispose of the medical waste generated in the Premises.

ARTICLE 16 - INDEMNIFICATIONS

16.1. *Indemnification by Tenant.* Tenant agrees to indemnify and hold Landlord harmless against all claims, demands, costs and expenses, including reasonable attorney's fees for the defense thereof, arising from Tenant's conduct, management of Tenant's business, use and occupancy of the Premises, construction of Tenant Improvements and Alterations, breach of any of the terms and conditions of this Lease, or the negligence or willful misconduct of Tenant, its agents, servants, contractors or employees. Notwithstanding anything to the contrary contained herein, the foregoing provision shall not be construed to hold Tenant responsible for any loss, damage, liability or expense resulting from injuries caused by any gross negligence or intentional misconduct of Landlord, its agents, servants, contractors or employees. In case of any action or proceeding brought against Landlord by reason of such claim as is described in the initial sentence of this paragraph, Tenant, upon written notice from Landlord, covenants to defend such action or proceeding by counsel reasonably acceptable to Landlord.

16.2. *Indemnification by Landlord.* Landlord agrees to indemnify and hold Tenant harmless against all claims, demands, costs and expenses, including reasonable attorney's fees for the defense thereof, arising from Landlord's conduct, management of Landlord's business, construction of improvements by Landlord including Landlord's Work, breach of any of the terms and conditions of this Lease, or the negligence or willful misconduct of Landlord, its agents, servants, contractors or employees. Notwithstanding anything to the contrary contained herein, the foregoing provision shall not be construed to hold Landlord responsible for any loss, damage, liability or expense resulting from injuries caused by any gross negligence or intentional misconduct of Tenant, its agents, servants, contractors or employees. In case of any action or proceeding brought against Tenant by reason of such claim as is described in the initial sentence of this paragraph, Landlord, upon written notice from Tenant, covenants to defend such action or proceeding by counsel reasonably acceptable to Tenant.

ARTICLE 17 - DAMAGE AND DESTRUCTION

17.1. Partial Damage or Destruction. If less than twenty-five percent (25%) of the Property, Building, Premises, parking areas or Common Areas are partially destroyed from any cause and such damage or destruction renders the Premises partially inaccessible or unusable, Landlord shall promptly restore the Property, Building, Premises, parking areas and Common Areas to substantially the same condition as they were in immediately before the destruction within one hundred eighty (180) days after the date of such partial destruction. Base Rent and Additional Rent shall be abated for the portion of the Premises not occupied by Tenant during the time of such restoration and for any portion of the Premises which may be occupied by Tenant but which are unfit for the purposes permitted under this Lease. In the event that Landlord fails to restore the Property, Building, Premises, parking areas or Common Areas, as the case may be, within the one hundred eighty (180) day timeframe provided herein, Tenant shall have right to terminate this Lease upon ten (10) days notice to Landlord or exercise its rights under Section 20.4 of this Lease. Notwithstanding the foregoing, Landlord shall not be required to make any repairs or restorations that are prohibited by law, and Landlord shall not be liable for any inconvenience or annoyance to Tenant or its visitors, or injury to Tenant's business resulting in any way from such damage or the repair thereof.

17.2. Complete Damage or Destruction. If twenty-five percent (25%) or more of the Property, Building, Premises, parking areas or Common Areas are destroyed from any cause, such damage shall be deemed a complete destruction for purposes of this Lease. In such event, Landlord shall, within sixty (60) days after the date of the casualty or as may be reasonably practicable, commence its reconstruction. The following provisions shall apply in the event of a complete destruction:

- (a) Landlord and Tenant shall each have the right to terminate this Lease upon thirty (30) days written notice to the other party if Landlord's commercially reasonable determination of period for reconstruction will exceed two-hundred and seventy (270) days from the date of the casualty;
- (b) Base Rent and Additional Rent shall be fully abated during the period beginning on the date of the casualty and ending on the date of completion of Landlord's restoration obligations as provided in this Article 17. If Tenant occupies a portion of the Premises during Landlord's restoration of the Premises, Base Rent shall be abated only for the portion of the Premises not occupied by Tenant.

17.3. Damage Near End of Term. Notwithstanding any other provision of this Article 17 to the contrary, if any portion of the Property, Premises, Building, Common Areas or parking areas are destroyed or damaged by a casualty during the last twelve (12) months of the Lease Term, Landlord and Tenant shall each have the option to terminate this Lease by giving ten (10) days written notice to the other party within thirty (30) days of the date of the casualty.

17.4. Effective Date of Termination; Rent Apportionment. If Landlord or Tenant elects to terminate this under this Article 17 in connection with a casualty, Tenant shall pay Base Rent properly apportioned up to the date of the casualty. After the effective date of the termination, Landlord and Tenant shall be discharged of all future obligations under this Lease, except for those provisions that, by their terms, survive the expiration or earlier termination of the Lease.

ARTICLE 18 - CONDEMNATION

18.1. Condemnation. If any portion of the Premises or the parking lot serving the Premises is taken or condemned by any competent authority for any public or quasi-public use or purpose or is sold to the condemning authority in lieu of condemnation, and such condemnation renders the Premises inaccessible or unusable, Landlord and Tenant shall each have the right to terminate this Lease upon thirty (30) days written notice to the other party. Tenant shall have the right to make such claims as may be available to Tenant under applicable law, provided such claims do not reduce the amount of condemnation proceeds available to Landlord.

18.2. Apportionment of Base Rent. If this Lease is terminated under this Article 18, Tenant shall only be obligated to pay Base Rent for the period up to, but not including, the termination date of this Lease. Landlord shall return to Tenant any prepaid Base Rent allocable to any period on or after the Termination Date.

ARTICLE 19 - ASSIGNMENT AND SUBLEASING

19.1. Restricted Transfers. Except as provided in Section 19.2 of this Lease, Tenant shall not voluntarily assign, sublease or otherwise encumber any part of its interest in this Lease or in the Premises without Landlord's prior written consent, which shall not be unreasonably withheld, conditioned or delayed. Concurrent with Tenant's written request for Landlord's consent to a transfer, Tenant shall provide Landlord with (a) information regarding the proposed transferee, including their name, address, and ownership profile, (b) the nature of the proposed transferee's business and anticipated use of the Premises; (c) current audited financial statements of the proposed transferee, and (d) all material terms of the proposed transfer, including the base rent to be paid by the proposed transferee for the term of the proposed assignment or sublease, the portion of the Premises to be transferred, a general description of any planned alterations or improvements to be made by the proposed transferee to the Premises, the effective date of the transfer, and copies of other relevant documentation concerning the proposed transfer to the extent then available.

19.1.1. Standard of Landlord's Reasonableness. It shall not be deemed unreasonable for Landlord to withhold consent to subletting or assignment by Tenant under this Lease if Landlord in its sole judgment determines that the proposed transferee (a) is of a character or is engaged in a business which is not in keeping with Landlord's standards for the Building, as determined solely by Landlord; (b) has a use which conflicts with the general character of the Building or any provision in another tenant's lease with Landlord; (c) does not meet the then current commercially reasonable financial standards required by Landlord; or (d) is unacceptable because Tenant is in default under this Lease at the time of the request for Landlord's consent. Consent given by Landlord to any such assignment or subletting shall not operate as a waiver of the necessity for a consent to any subsequent assignment or subletting.

19.1.2. Release of Tenant. If Landlord consents to any Restricted Transfer, Tenant and any guarantor of this Lease shall thereafter be released from all liability under this Lease accruing after the date of the Restricted Transfer.

19.2. Permitted Transfers. Notwithstanding Section 19.1, Tenant may assign this Lease or sublease the Premises in whole or in part, upon written notice to Landlord, but without the consent of Landlord to:

- (a) any entity into which or with which Tenant has merged or consolidated;
- (b) any parent, subsidiary, successor, or wholly-owned affiliated entity of Tenant;
- (c) any entity which acquires all or substantially all of the assets or issued and outstanding shares of capital stock of Tenant;
- (d) any partnership, limited liability company or other entity, the majority interest of which shall be owned by Tenant or a parent, subsidiary, successor or wholly-owned affiliate entity of Tenant;
- (e) any purchaser of substantially all of Tenant's assets located at the Premises, provided that any such assignee or successor shall agree in writing to assume and perform all of the terms and conditions of this Lease on Tenant's part to be performed from and after the effective date of such assignment or subletting; or
- (f) [sublease only] any doctor or medical director associated with Tenant, provided that no more than ten percent (10%) of the Premises are transferred pursuant to this Section 19.2(f).

19.2.1. *No Release of Tenant.* Neither Tenant nor any guarantor of this Lease shall be released from liability accruing under this Lease after the date of any Permitted Transfer.

19.3. *Right to Collect Base Rent.* If this Lease is assigned, Landlord shall collect Base Rent directly from the assignee. If all or part of the Premises is subleased and Tenant defaults, Landlord shall have the right to collect the base rent payable by the sublessee to Tenant directly from the sublessee provided that Landlord shall apply all amounts collected to Tenant's monetary obligations under this Lease.

ARTICLE 20 - DEFAULTS AND REMEDIES

20.1. *Default by Tenant.* The occurrence of any of the following shall constitute a default by Tenant under this Lease:

- (a) Tenant's failure to pay when due any Base Rent, Additional Rent, or any other monetary obligation required to be paid under this Lease if the failure continues for ten (10) days after Tenant's receipt of written notice of its failure from Landlord to Tenant;
- (b) Tenant's failure to perform any other obligation under this Lease if the failure continues for thirty (30) days after Tenant's receipt of written notice of its failure from Landlord to Tenant. If the required cure of the noticed default cannot be completed within thirty (30) days, Tenant's failure to perform shall not constitute a default under this Lease if Tenant has taken steps to cure the failure and is diligently and continuously attempting to complete the cure as soon as reasonably possible;
- (c) The entry of an order for relief with respect to Tenant or any guarantor of this Lease under any chapter of the Federal Bankruptcy Code, the dissolution or liquidation of Tenant or any guarantor of this Lease, the appointment of a trustee or receiver to take possession of all or substantially all of Tenant's or any guarantor's assets or Tenant's interest under this Lease that is not discharged within thirty (30) days; or
- (d) The execution by Tenant or any guarantor of this Lease of an assignment for the benefit of creditors.

20.2. Landlord's Remedies on Tenant's Default. Upon the occurrence of any event of default by Tenant, Landlord shall have the following rights and remedies, each of which shall be cumulative and nonexclusive:

- (a) Terminate this Lease, in which event Tenant shall immediately surrender the Premises to Landlord and, if Tenant fails to do so, Landlord may without prejudice to any other remedy which it may have for possession or arrearages under this Lease enter upon and take possession of the Premises and expel or remove Tenant from the Premises or any part thereof, without being liable for prosecution or any claim or damages therefor;
- (b) Recover the following sums from Tenant:
 - (i) any unpaid rent which has been earned at the time of such termination plus accrued interest thereon at the rate ten percent (10%) per annum; plus
 - (ii) the net present value, using a discount rate of ten percent (10%), of the unpaid rent for the balance of the Lease Term less any rental loss that Tenant proves could have been reasonably avoided; plus
 - (iii) any amounts reasonably expended by Landlord to restore the Premises to the condition the Premises were in as of the Commencement Date of this Lease;
- (c) Cure any default by Tenant by making any payment required to be made by Tenant (other than payments of Rent) or performing any of Tenant's other obligations under this Lease. Tenant shall repay any sums expended by Landlord pursuant to this Section within ten (10) days of Landlord's submission to Tenant of invoices and proof of payment. In the event that Tenant fails to reimburse Landlord hereunder, interest shall accrue on such sums at the rate of eighteen percent (18%) per annum unless such interest rate violates applicable usury laws, in which case interest shall accrue at the maximum allowable legal rate. No such payment or expenditure by Landlord shall be deemed a waiver of Tenant's default nor shall it affect any other remedy of Landlord by reason of such default; and
- (d) Accept any payments made by Tenant without waiving any rights under this Lease, including any rights that Landlord has to fully address and seek remedy for Tenant's default.

20.3. Default by Landlord. Landlord's failure to perform any its obligations under this Lease shall constitute a default by Landlord under the Lease if the failure continues for thirty (30) days after written notice of the failure from Tenant to Landlord. If the required cure of the noticed default cannot be completed within thirty (30) days, Landlord's failure to perform shall not constitute a default under this Lease if Landlord has taken steps to cure the failure within thirty (30) days and is diligently and continuously attempting to complete the cure as soon as reasonably possible.

Landlord hereby acknowledges that lack of commercially reasonable HVAC services as outlined in Exhibit C and the infiltration of water into the Premises represents a health and safety hazard to Tenant, its employees, and its patients. Therefore, notwithstanding anything to the contrary contained in this Section 20.3, Tenant shall have the right to exercise its rights pursuant to Section 20.4 of this Lease in the event that Tenant provides Landlord with written notice of deficient HVAC services or a roof leak or other water infiltration into the Premises and Landlord fails to take reasonable steps to commence to repair the same within five (5) business days and diligently pursue said repair to completion.

20.4. Tenant's Right of Self Help. In the event of a default of this Lease by Landlord pursuant to Section 20.3, Tenant shall have the right, without waiving any claim of damages for breach of this Lease, at any time thereafter to cure such default for the account of Landlord. In exercising its self help rights pursuant to this Section 20.4, Tenant shall have the right to use contractors of its choosing. Landlord hereby grants to Tenant and Tenant's contractors a license, effective during the Lease Term, to enter those portions of the Property, Building and Premises that are reasonably necessary for Tenant to take such action. Any reasonable amount paid or any liability reasonably incurred by Tenant in exercising its self help rights pursuant to this Section 20.4 shall be deemed paid or incurred for the account of Landlord and Landlord shall reimburse Tenant therefore within ten (10) days of Tenant's submission of invoices and proof of Tenant's payment of such invoices. In the event that Landlord fails to reimburse Tenant as provided herein, such failure shall be considered a material breach of this Lease and the following provisions shall apply:

- (i) Interest shall accrue on such unpaid amounts at the rate of eighteen percent (18%) per annum unless such interest rate violates applicable usury laws, in which case interest shall accrue at the maximum allowable legal rate; and
- (ii) Tenant may deduct the full cost incurred in curing Landlord's default and any accrued interest thereon pursuant to Section 20.4(i) of this Lease from future payments of Base Rent and Additional Rent.

ARTICLE 21 - HOLDING OVER

21.1. Holdover Rent. If Tenant remains in possession of the Premises after the expiration or earlier termination of this Lease, Tenant's occupancy shall be deemed a month-to-month tenancy upon the same terms and conditions of this Lease except that (a) Base Rent shall be equal to One Hundred Twenty-Five percent (125%) of the Base Rent paid by Tenant to Landlord for the month in which this Lease expired or was otherwise terminated and (b) Tenant shall not have any right to extend the Lease Term.

21.2. Limitation on Tenant's Liability for Holdover. Tenant shall not be liable for any damages sustained by Landlord on account of Tenant's holdover unless Landlord provides Tenant with thirty (30) days written notice to vacate the Premises and Tenant thereafter fails to do so.

ARTICLE 22 - SURRENDER OF PREMISES

22.1. Surrender of Premises. Upon the expiration or earlier termination of this Lease, Tenant, at its sole cost and expense, shall remove all debris and rubbish from the Premises. Tenant shall quit the Premises and surrender possession thereof to Landlord in broom clean condition except for reasonable wear and tear and damage caused by acts of God, Landlord, casualties, and/or condemnation.

22.2. Removal of Tenant's Trade Fixture and Personal Property. Tenant shall remove from the Premises all movable trade fixtures and personal property of Tenant including furniture, equipment, freestanding cabinetwork, and other articles of personal property owned by Tenant. Tenant's water treatment equipment and process piping shall be considered one of Tenant's trade fixtures for purposes of this Lease. Tenant shall repair all damage to the Premises and the Building resulting from such removal. If Tenant fails to remove any of its trade fixtures or

personal property on or before the expiration or earlier termination of this Lease and within ten (10) days of receipt of written notice from Landlord, Landlord, at Tenant's sole cost and expense, shall have the right to remove and dispose of or store Tenant's trade fixtures and personal property in an off-site storage facility. Landlord shall not be liable for any damage caused as a result of such removal, and Tenant shall pay Landlord for its removal and disposal or storage expenses within ten (10) days of Landlord's written demand for reimbursement of such expenses.

22.3. Removal of Tenant Improvements and Alterations. Tenant shall have the right, but not the obligation, to remove Tenant Improvements and Alterations installed on or in the Premises by Tenant during the Lease Term pursuant to Articles 7 and 8 of this Lease. In the event that Tenant removes any Tenant Improvements and/or Alterations pursuant to this Section 22.3, Tenant shall, at Tenant's expense, repair all damage to the Premises and the Building resulting from such removal. In the event Tenant does not remove any Tenant Improvements and/or Alterations prior to the expiration or earlier termination of this Lease, such Tenant Improvements and Alterations not so removed shall be conclusively deemed abandoned by Tenant and title thereto shall pass to Landlord without any payment or credit to Tenant.

ARTICLE 23 - ESTOPPEL CERTIFICATES

23.1. Obligation to Provide Estoppel Certificates. Within twenty-one (21) business days after receipt of a written request by Landlord, Tenant shall execute and deliver a commercially reasonable estoppel certificate or other form required by any existing or prospective lender, mortgagee, or purchaser of all or part of the Property or the Building. Tenant shall be permitted to indicate in the estoppel certificate any exceptions to the statements contained therein that may exist at the time Tenant executes the certificate. Tenant shall also execute and deliver such other documents or instruments may be reasonably required for the purpose of supporting Landlord's underlying transaction.

ARTICLE 24 - SUBORDINATION, NONDISTURBANCE, AND ATTORNMENT

24.1. Automatic Subordination of this Lease. This Lease shall at all times be subject and subordinate to the lien of any mortgages, deeds of trust, ground leases, or other encumbrances recorded now or subsequently against the Premises, the Building or the Property and all renewals, modifications, re-financings and extensions thereof (collectively, "Encumbrances"). This clause shall be self-operative, but within twenty-one (21) business days after the receipt of a written request from Landlord or any Encumbrance holder, Tenant shall execute a commercially reasonable subordination agreement together with any customary additional documents evidencing the priority of the Encumbrance and the subordination of this Lease with respect to such Encumbrance. Notwithstanding the foregoing, Tenant shall not be required to execute any agreement or other documentation that materially increases Tenant's obligations during the remainder of the Lease Term or adversely alters or negates any of Tenant's rights and remedies granted under this Lease or applicable law.

24.2. Non-Disturbance and Attornment. Provided that Tenant's occupancy of the Premises is not disturbed and that the terms and conditions of this Lease are honored by the transferee of Landlord's interest in the Property, Tenant covenants and agrees to attorn to the transferee of Landlord's interest in the Property by foreclosure, deed in lieu of foreclosure, exercise of any

remedy provided in any Encumbrance or underlying lease, or operation of law, and to recognize such transferee as the new landlord under this Lease. In the event any Encumbrance holder notifies Tenant of such a transfer of Landlord's interest in the Property, Landlord agrees that Tenant shall not be liable for making payments of Base Rent, Additional Rent, and any other sums due pursuant the terms of this Lease directly to the transferee.

24.3. Modifications of Lease Required by Landlord's Lender. If any institutional lender of Landlord requests a modification of this Lease, Tenant shall endeavor in good faith to agree to that modification and to prepare and execute an amendment to this Lease so long as (a) Base Rent, Additional Rent, and any other amounts required to be paid under this Lease are not changed, (b) the time for and manner of payments under this Lease are not changed, (c) the Lease Term (including any Option Terms and the times governing Tenant's exercise of any options) is not changed, (d) Tenant's possession of the Premises and rights to possession and use of other parts of the Building and Property are not changed, (e) Landlord's obligations to Tenant under this Lease are not reduced, (f) Tenant's obligations to Landlord under this Lease are not increased, and (g) the proposed modification does not materially or adversely change the other rights and obligations of Tenant under this Lease or applicable law. As a condition of Tenant's obligation to execute an amendment, Landlord shall reimburse Tenant for its costs, including reasonable attorney fees, that are incurred in connection with the review, negotiation, and preparation of the amendment.

ARTICLE 25 - FORCE MAJEURE

25.1. Force Majeure. Except for the payment of any monies due by one party to the other under the terms and conditions of this Lease, whenever a period of time is prescribed herein for the taking of an action by Landlord or Tenant, such party shall not be liable or responsible for, and there shall be excluded from the computation of any such period of time, any delays due to strikes, acts of God, shortages of labor or materials, war, terrorist acts, civil disturbances and other causes beyond the reasonable control of the performing party.

ARTICLE 26 - SIGNS

26.1. Building Name; Landlord's Signage Rights and Obligations. Subject to Tenant's signage rights under this Article 26, Landlord may at any time change the name of the Building and install, affix, and maintain all signs on the exterior and interior of the Building as Landlord may, in Landlord's sole discretion, desire. Tenant may use the name of the Building or pictures or illustrations of the Building in its advertising or other publicity during the Lease Term. Landlord shall, at its sole cost and expense, install Tenant's name and suite number on all directories located on the Property.

26.2. Tenant's Signage Rights. Tenant shall have the right, at its sole cost and expense, to erect, affix or display such signs or sign advertising its business as Tenant may consider necessary or desirable on the exterior or interior walls, doors, or windows of the Premises, and in locations on Building and/or exterior monuments where other tenant's signs are located. In addition, Tenant shall have the right to install directional signs in the Common Areas of the Building and the Property that indicate the location of the Premises. The location of all signs installed by Tenant pursuant to this Section 26.2 shall be subject to Landlord's consent, which shall not be unreasonably withheld, conditioned or delayed.

26.3 Compliance with Laws. Notwithstanding anything contained in this Article 26 to the contrary, Tenant's signage shall be subject to all governmental and quasi-governmental consents, approvals and permits as may be necessary in order for Tenant to erect its signage. Landlord and Tenant hereby acknowledge that the terms and conditions of this Lease were reached after an arms length negotiation, that both parties participated in the drafting and preparation of this Lease, and that both parties had the opportunity to seek the advice of counsel prior to the execution and delivery of this Lease. As such, Landlord and Tenant hereby agree that the rule of construction that a document be construed most strictly against the party that prepared the document shall not be applied.

29.13. Severability. If a court of competent jurisdiction holds any provision of this Lease invalid or unenforceable in whole or in part for any reason, the validity and enforceability of the remaining clauses shall not be affected.

This district is primarily located near and along the major arterials as designated in the Yakima urban area comprehensive plan. Like the CBD district, a variety of land uses are permitted. However, the intensity of development is intended to be less than in the CBD district.

Any new use would be subject to applicable review procedures and would have to adhere to current zoning standards. For a list of permitted land uses, please refer to [Yakima Municipal Code \(YMC\) § 15.04.030](#). Class (1) uses are those that are permitted outright and require a Type (1) review, Class (2) uses are generally permitted but require a Type (2) Review and a 20-day public comment period to confirm compatibility, and Class (3) uses are generally not permitted and require a Type (3) Review with a 20-day public comment period and a public hearing.

Please contact me at (509) 575-6162 or trevor.martin@yakimawa.gov should you have any questions regarding this matter.

Affiliation/Transfer Agreement

AFFILIATION AGREEMENT

This AGREEMENT made as of this ___ day of _____, _____ (“Effective Date”), between **Virginia Mason Memorial** (hereinafter referred to as “Hospital”) and **Renal Care Group Northwest, Inc.** d/b/a Fresenius Kidney Care Yakima River (hereinafter referred to as “Company”).

WHEREAS, Company desires to assure the availability of the Hospital’s facilities for its patients who are in need of inpatient treatment at a hospital and those residing in the hospital’s distinct/part/skilled intermediate care unit, in compliance with 42 C.F.R. Part 494.180(g), and the Hospital is equipped and qualified to provide hospital care on an inpatient basis for such patients; and

WHEREAS, the Hospital desires to assure the availability of hemodialysis treatment for its patients who are in need of outpatient treatment, and Company is experienced and qualified to administer dialysis treatments and clinically manage patients with chronic renal failure on an outpatient basis;

1. The hospital agrees to make the facilities and personnel of its routine emergency service available for the treatment of acute life-threatening emergencies, which may occur to any of Company’s patients. If, in the opinion of a member of Company’s medical staff, any patient requires emergency hospitalization, the hospital agrees that it will provide a bed for such a patient (or in the event a bed is not available at the Hospital, to arrange for the transfer of the patient to an affiliated hospital) and furnish all necessary medical services at its facility for such patient at the patient’s expense. In the event of an emergency at Company, the responsible physician shall notify the patient’s physician of record, as indicated in Company’s files, and shall promptly notify the Emergency Room physician of the particular emergency. Company shall be responsible for arranging to have the patient transported to the Hospital and shall send appropriate interim medical records. There will be an interchange, within one working day, of medical and other information necessary or useful in the care and treatment of patients referred to the Hospital from Company, or in determining whether such patients can be adequately cared for otherwise than in either of the facilities. Admission to Hospital, and the continued treatment by Hospital, shall be provided regardless of the patient’s race, color, creed, sex, age, disability, or national origin.
2. In the event the patient must be transferred directly from Company to the Hospital, Company shall provide for the security of, and be accountable for, the patient’s personal effects during the transfer.
3. Company shall keep medical records of all treatments rendered to patients by Company. These medical records shall conform to applicable standards of professional practice. If requested by the Hospital, Company shall provide complete copies of all medical records

of a patient treated by Company who is, at the time of the request, an inpatient at the Hospital.

4. The Hospital shall accept any patient of Company referred to the Hospital for elective reasons, subject to the availability of appropriate facilities, after the Company attending physician has arranged for inpatient hospital physician coverage,
5. In addition to the services described above, the Hospital shall make the following services available to patients referred by Company either at the Hospital or at an affiliated hospital:
 - a. Availability of a surgeon capable of vascular access insertion and long-term maintenance;
 - b. Inpatient care for any patient who develops complications or renal disease-related conditions that require hospital admission;
 - c. Kidney transplantation services, where appropriate, including tissue typing and cross matching, surgical transplant capability, availability of surgeons qualified in the management of pre and post-transplant patients; and
 - d. Blood Bank services to be performed by the Hospital.
6. Company shall have no responsibility for any inpatient care rendered by the hospital. Once a patient has been referred by Company to the Hospital, Hospital agrees to indemnify Company against, and hold it harmless from any claims, expenses, or liability based upon or arising from anything done or omitted, or allegedly done or omitted, by the Hospital, its agents, or employees, in relation to the treatment or medical care rendered at the Hospital.
7. Company agrees to develop, maintain and operate, in all aspects, an outpatient hemodialysis facility, providing all physical facilities, equipment and personnel necessary to treat patients suffering from chronic renal diseases. Company shall conform to standards not less than those required by the applicable laws and regulations of any local, state or federal regulatory body, as the same may be amended from time to time. In the absence of applicable laws and regulations, Company shall conform to applicable standards of professional practice. Company shall treat such commitment as its primary responsibility and shall devote such time and effort as may be necessary to attain these objectives. Admission to Company, and the continued treatment by Company, shall be provided regardless of the patient's race, color, creed, sex, age, disability, or national origin.
8. The cost of such facilities, equipment and personnel shall be borne by Company. The location of such facilities shall be selected by Company but shall be sufficiently close to the proximity to the Hospital to facilitate the transfer of patients, and communication between the facilities.

9. Company shall engage a medical director of Company's outpatient hemodialysis facility who shall have the qualifications specified in 42 C.F.R. Part 494.140(a). This individual must be a physician properly licensed in the profession by the state in which such facility is located. In accordance with 42 C.F.R. Part 494.140(b)-(f), Company shall employ such duly qualified and licensed nurses, technicians, and other personnel as shall be necessary to administer treatment at its facility, in accordance with applicable local, state, and federal laws and regulations.
10. The Hospital, acting through its appropriate medical staff members, shall, from time to time, evaluate its patients with chronic renal failure in accordance with its standard operating procedures. With the approval of the patient, the patient's physician shall consult with the Company Medical Director. If outpatient treatment is considered appropriate by the patient's physician and the Company Medical Director, said patient may be referred to Company for outpatient treatment at a facility operated by Company which is most convenient for the patient (or, in the event space is not available, to an affiliated unit). There will be an interchange, within one working day, of the Patient Long-Term Care Program and Patient Care Plan Team, and of medical and other information necessary or useful in the care and treatment of patients referred to Company from the Hospital, or in determining whether such patients can be adequately cared for otherwise than in either of the facilities.
11. With respect to all work, duties, and obligations hereunder, it is mutually understood and agreed that the parties shall own and operate their individual facilities wholly independent of each other. All patients treated at the facilities of Hospital or Company shall be patients of that facility. Each party shall have the sole responsibility for the treatment and medical care administered to patients in their respective facilities.
12. Company and Hospital shall each maintain in full force and effect throughout the term of this Agreement, at its own expense, a policy of comprehensive general liability insurance and professional liability insurance covering it and Company's Staff and Hospital staff and physicians, respectively, each having a combined single limit of not less than \$1,000,000 per occurrence, \$3,000,000 annual aggregate for bodily injury and property damage to insure against any loss, damage or claim arising out of the performance of each party's respective obligations under this Agreement. Each will provide the other with certificates evidencing said insurance, if and as requested. Company and Hospital further agree to maintain, for a period of not less than three (3) years following the termination of this Agreement, any insurance required hereunder if underwritten on a claims-made basis. Either party may provide for the insurance coverage set forth in this Section through self-insurance.
13. Each party agrees to indemnify and hold harmless the other, their officers, directors, shareholders, agents and employees against all liability, claims, damages, suits, demands, expenses and costs (including but not limited to, court costs and reasonable attorneys' fees) of every kind arising out of or in consequence of the party's breach of this

Agreement, and of the negligent errors and omissions or willful misconduct of the indemnifying party, its agents, servants, employees and independent contractors (excluding the other party) in the performance of or conduct related to this Agreement.

14. The Parties expressly agree to comply with all applicable patient information privacy and security regulations set for in the Health Insurance Portability and Accountability Act (“HIPAA”) final regulations for Privacy of Individually Identifiable Health Information by the federal due date for compliance, as amended from time to time.
15. Whenever under the terms of this Agreement, written notice is required or permitted to be given by one party to the other, such notice shall be deemed to have been sufficiently given if delivered in hand or by registered or certified mail, return receipt requested, postage prepaid, to such party at the following address:
