Re: CN Application #19-58

Dear Mr. Agabi:

Please accept this letter as Continuum Care of Snohomish LLC's formal request to withdraw its certificate of need application #19-58 requesting to establish a hospice agency in Snohomish County in the 2019 concurrent review cycle. Please note that Continuum understands that its application will be returned but it requests that its public comment remain part of the record for the concurrent review for the remaining four applications (Envision Hospice of Washington, LLC, Glacier Peak Healthcare, Inc., Inspiring Hospice Partners of Oregon, LLC and Seasons Hospice & Palliative Care), and that Continuum continue to be considered an interested person and affected person. Please provide us with a copy of all further correspondence on the remaining applications, including the Department's evaluation.

Per WAC 246-310-990(5) and the settlement agreement reached June 28, 2019, we understand that Continuum will be refunded 50% of the review fees paid. Please forward the refund to the address below at your earliest convenience to:

Samuel Stern, CEO
