

**Proposed Lynnwood opioid treatment program public hearing notice: Washington State Department of Health asking for public input.**

The purpose of the hearing is for the public to provide comments about the proposed program as part of the licensing process required in state law. This is not an educational event or question-and-answer session.

In response to the coronavirus disease 2019 (COVID-19) public health emergency, the department will not provide a physical location for this hearing to promote social distancing and the safety of the citizens of Washington State. Instead, the department will hold a virtual public hearing, without a physical meeting space.

**WHO:** Lynnwood Comprehensive Treatment Center proposes establishing an opioid treatment program at 2322 196<sup>th</sup> SW Street, Lynnwood, Washington 98036.

**WHAT:** Opportunity for the public to comment on the proposed opioid treatment program. This public hearing is free and open to the public. Those who cannot join the webinar can submit comments using one of the options below.

**WHEN:** 4:30 p.m., December 29, 2022

**Webinar registration and login information:**

<https://attendee.gotowebinar.com/register/4592183308497876496>

Call in option: +1 (631) 992-3221

**If you wish to speak during the workshop, you will need to log in, not just call in, so we can unmute you.**

Audio access code: 851-377-046

**Members of the public who wish to speak at the hearing will be limited to three minutes each.** We encourage written comments. They must be submitted during the hearing or received by the Department of Health by email, mail, or voicemail by 5 p.m., December 29, 2022. Faxed comments will not be accepted.

For those who do not wish to comment during the webinar, you may send comments to:
