

EBT Equipment Options for SNAP Produce Rewards Farm Vendors

Direct Marketing Farmers “farm vendors” participating in SNAP Produce Rewards are eligible for free EBT equipment through the organizations below. Electronic Benefits Transfer (EBT) is a system for using Supplemental Nutrition Assistance Program (SNAP) benefits. SNAP benefits are distributed in the form of an EBT card like a debit card and require a PIN number to use. SNAP customers should not be asked to share their PIN number, and SNAP authorized retailers should not keep PIN numbers on file.

Organization	Equipment	Cost	Requirements / Restrictions	To Get Equipment
FIS via Washington State Department of Social and Health Services (DSHS)	V400m wireless terminal – EBT handheld equipment 	FREE when you sign up with FIS through DSHS <ul style="list-style-type: none"> Free All-in-One wireless EBT terminal and combination receipt printer No EBT transaction fees No contract renewal required unless a new FNS number is obtained during the life of the business. 	Wireless terminal connects via AT&T Wi-Fi cellular service towers. Terminal only processes SNAP transactions and cannot process debit/credit card transactions. Must provide paper customer receipts with every transaction. Receipt printer is integrated within the equipment (<i>Vendors are not compensated for the cost of printer paper.</i>)	Indicate your preferred equipment type on DOH's Produce Rewards application .
