Agency: Department of Health – Board of Hearing and Speech

Subject of possible rule making: Over-the-Counter Hearing Aids. The Board of Hearing and Speech (board) is considering amending WAC 246-828-100 (Hearing instruments fitting and dispensing – Minimum standards of practice) to be consistent with the Food and Drug Administration (FDA) finalized rule regarding the sale of over-the-counter (OTC) hearing aids. The board may also consider clarifying or technical changes as needed.

Statutes authorizing the agency to adopt rules on this subject: RCW 18.35.161

Reasons why rules on this subject may be needed and what they might accomplish: The board is considering amendments to WAC 246-828-100 to align with recently adopted FDA rule (21 C.F.R. Parts 800, 801, 808, and 874 (2022)). The federal rule established a new category of “over-the-counter” hearing aid which will impact the sale, fitting, and dispensing of hearing aids by those licensed under chapter 246-828 WAC.

Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies: Food and Drug Administration (FDA)

Process for developing new rule (check all that apply):

- Negotiated rule making
- Pilot rule making
- Agency study
- Other (describe) Collaborative Rule Making

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting:
