**Agency:** Department of Health

**Subject of possible rule making:** Review of initial license and endorsement requirements for Athletic Trainers. To comply with Second Substitute House Bill (2SHB) 1724 (chapter 425, Laws of 2023), the Department of Health (department), in collaboration with the Athletic Training Advisory Committee, will consider amending WAC 246-916-030 to update substantial equivalency standard rules.

**Statutes authorizing the agency to adopt rules on this subject:** RCW 18.250.020 and 2SHB 1724 (chapter 425, Laws of 2023).

**Reasons why rules on this subject may be needed and what they might accomplish:** 2SHB 1724, codified as RCW 18.130.077, requires disciplining authorities to waive education, training, experience and exam requirements for applicants who have been credentialed in another state or states with substantially equivalent standards for at least two years immediately preceding their application with no interruption in licensure for longer than 90 days.

The goal of 2SHB 1724 and substantial equivalency is to reduce work force shortages, and reduce licensing barriers for applicants seeking a credential. The department will consider amending WAC 246-916-030, Applicants Currently Licensed in Other States, to bring it into alignment with section 8 of 2SHB 1724.

**Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies:** None.

**Process for developing new rule (check all that apply):**

- Negotiated rule making
- Pilot rule making
- Agency study
- Other Collaborative rulemaking

**Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting:**
