

# Immunize WA Annual Award

## What is the Immunize WA Award program?

It is an annual state award to recognize individual medical clinics/medical practices for high immunization coverage rates on childhood and adolescent vaccines.

There are three tiers for immunization rate award recognition – Gold, Silver, Bronze, and a new award level for recognizing HPV Cancer Prevention.

- **Gold** status is for 80 percent coverage rate or higher (Childhood/Adolescent)
- **Silver** level is for 70-79 percent coverage rate (Childhood/Adolescent)
- **Bronze** status is for 70 percent or higher (Childhood 4313314, Adolescent 1:1:1 series)
- **New! HPV Cancer Prevention recognition for 25% or higher (HPV 1 Series)**

Award winners receive formal recognition with a certificate signed by the governor, and a window cling.

## See instructions on the back - know where you stand and find out your coverage rates.

Find out your rates today! See the reverse side of this flyer for instructions on how to run the Coverage Rate Report in the Immunization Information System (IIS).

*Don't miss the opportunity to nominate your practice for 2024! Self-nomination will begin June 1, 2024!*

## Improve your immunization coverage rates to:

- Help your practice and Washington state meet national immunization goals
  - 90% coverage for young children
  - 80% coverage for adolescents
- Reduce the spread of vaccine preventable diseases and keep our communities safe!

# How do I run the Coverage Rate Report through the IIS to nominate my clinic for an Immunize WA Award?

1. Log in to [www.waiis.wa.gov](http://www.waiis.wa.gov) using your username and password.

**NOTE: If you do not have a username or password, please contact the IIS Help Desk at 1-800-325-5599**

2. Under the left navigation Reports Menu heading, select **Report Module**.

3. Under the Registry heading, select the **Coverage Rate Report**.

4. Select "**By Ownership**" to include your patients only.

5. Select the vaccine **Series** to run and the Age Range to run it for.

6. Select "**Active Only**" under Patient Status.

7. You may limit the report by any of the criteria listed as needed, including Complete by Vaccine and Series Complete.

8. Click the **Create Coverage Report** button.

For more detailed information on how to run your coverage rate report, please go to the [IIS Training Materials Portal](#) for the [Coverage Rate Report](#).
