

Large On-Site Sewage Systems Best Management Practice (BMPs) Explanation Form

Please include with your permit renewal documents a response to the permit condition to inform and educate people at your facility of the best management practices.

Please describe the actions taken to distribute information to visitors and workers, including announcements, handouts, signs and training.

Date Completed _____

Please note that this is a recurring condition, meaning you will need to submit this information every year.

If you have already submitted your renewal documents and have not included an explanation of these actions, please email this form to wastewatmgmt@doh.wa.gov.

Attached is the Best Management Practices document that needs to be delivered or posted.

System Name _____

System ID Number _____
