PREPROPOSAL STATEMENT OF INQUIRY

CR-101 (October 2017) (Implements RCW 34.05.310)

Do NOT use for expedited rule making

Agency: Department of Health - Veterinary Board of Governors

Subject of possible rule making: Veterinarian and Veterinary Technician Licensure Requirements.

The Veterinary Board of Governors (board) is considering updates to licensure, reactivation, continuing education, and examination requirements, which may include adding a new section in chapter 246-933 WAC and chapter 246-935 WAC to implement Second Substitute House Bill (2SHB) 1724 (chapter 425, Laws of 2023) and Second Substitute House Bill (2SHB) 1009 (chapter 165, Laws of 2023).

Statutes authorizing the agency to adopt rules on this subject: RCW 18.92.030, 2SHB 1724 (chapter 425, Laws of 2023) and 2SHB 1009 (chapter 165, Laws of 2023).

Reasons why rules on this subject may be needed and what they might accomplish:

The board has noticed circumstances where it may be more burdensome to reactivate an expired Washington license than obtain an initial license. The board will consider updates to address this.

Implementation of recent legislative changes from 2SHB 1724 and 2SHB 1009 regarding reciprocity, mobility, examinations, and military spouse licensure will also be considered.

Rule updates will support clear licensing standards including any recent changes and to resolve unneeded complexity.

Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies: None.

Process for developing new rule (check all that apply):

- Negotiated rule making
- Pilot rule making
- Agency study
- Other (describe) Collaborative rulemaking.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting:
