| Focus Bills             |  |   |  |
|-------------------------|--|---|--|
| Bill #<br>/Companion    | Short Title  | Brief Description   | Committee Action<br>(subject to change)  |
| <a href="#">HB 1849</a> | Unexpired prescription drug donation program eligibility | This bill amends RCW 69.70.050 to change the eligibility conditions for drugs donated to the unexpired prescription drug donation program. The bill strikes the requirement that qualifying donated prescription drugs bear an expiration date more than six months after the donation date, and replaces it with a requirement that the drug is not expired at the time of donation and there is “sufficient time” prior to the drug’s expiration for it to be used by another individual.   | <b>HB 1849</b><br><i>Sponsor(s):</i> Representatives Graham, Griffey, Stuebe, Keaton, Volz, Eslick, and Obras<br><br><i>First Reading (House):</i> 2/5/2025, referred to Health Care & Wellness Committee. |
| <a href="#">HB 1850</a> | Replacement of continuous glucose monitoring equipment   | This bill would require pharmacies that dispense continuous glucose monitoring equipment maintain a sufficient supply of monitoring sensors for patients that utilize such equipment. Pharmacies with physical locations that dispense such equipment would need to provide a same-day replacement for patients in need of an additional sensor due to equipment malfunction or emergency.<br><br>Mail-order pharmacies would need to provide a sensor replacement “promptly,” meaning they must mail a replacement no later than the next business day. If the mail-order pharmacy cannot mail out by the next business day, they must send out the sensor “as soon as practicable.” | <b>HB 1850</b><br><i>Sponsor(s):</i> Representatives Graham, Burnett, Griffey, Volz, Eslick, and Obras<br><br><i>First Reading (House):</i> 2/5/2025, referred to Health Care & Wellness Committee.        |

|--------------------------|---------------------------|---|---|
| Bill # /Companion        | Short Title               | Brief Description   | Committee Action (subject to change)  |
| <a href="#">HB 1725</a>  | Biosimilar product access | <p>The purpose of the bill is to remove barriers that restrict access to FDA-approved biosimilar drug products. RCWs 48.43.420(10) and 41.05.410(2)(j) are amended to add biosimilars as an option available to health plans. Biosimilars are also included as an option pharmacists must use to replace a prescribed biological product as a cost-saving measure, per amended language in RCW 69.41.125.</p> <p>Section 4 of the bill amends RCW 69.41.120 and removes therapeutically equivalent generic drug substitutions and adds substitution provisions for biosimilars as defined under 42 U.S.C Sec. 262(i)(2) in place of a trade or brand name drug product when filling a prescription order, unless a practitioner explicitly communicates that a substitution is not allowed. The selection of which biosimilar or interchangeable biological drug product to dispense is at the discretion of the pharmacist, but the same responsibility is assumed for dispensing the biosimilar as for the prescribed drug product, and the pharmacist may not select a drug unless it costs the patient less than the prescribed drug product. Pharmacists must communicate substitutions to the patient using the name of the dispensed drug product indicated on the prescription label.</p> | <p><b>HB 1725</b><br/> <i>Sponsor(s):</i> Representatives Thai, Shavers, Parshley, Duerr, and Macri</p> <p><i>First Reading (House):</i> 1/30/2025, referred to Health Care &amp; Wellness Committee<br/> <i>Public Hearing (Health Care &amp; Wellness):</i> 2/12/2025</p> |
| <a href="#">SSB 5594</a> | Biosimilar product access | <p>The text of the original bill is nearly the same as that in HB 1725 on the topic of biosimilar drug product use, with the exception of some language choices in Sections 4 and 5.</p> <p>SSB 5594 amends the original bill to allow carriers to require the patient try a biosimilar prior to providing coverage for the equivalent branded prescription drug. The bill further removes the 42 U.S.C. references for biosimilars, and clarifies that pharmacists may select a drug products “with the same active chemical ingredients of the same strength, quantity, and dosage form” and that have the same generic drug name as that determined by the United</p>  | <p><b>SB 5594</b><br/> <i>Sponsor(s):</i> Senators Harris and Cleveland</p> <p><i>First Reading (Senate):</i> 1/30/2025, referred to Health &amp; Long-Term Care Committee.<br/> <i>Public Hearing (Health &amp; Long-Term Care):</i> 2/11/2025</p>                         |

| Focus Bills              |   |  |  |
|--------------------------|---|--|--|
| Bill # /Companion        | Short Title   | Brief Description  | Committee Action (subject to change)   |
|                          |   | States Adopted Name Council (USAN) and accepted by the FDA.  | <i>Executive Session (Health &amp; Long-Term Care): 2/18/2025, substitute bill introduced, adopted, and passed through committee with a DO PASS recommendation</i>   |
| <a href="#">SHB 1720</a> | Types of medication assistance in community-based care settings | This bill amends the definition of “medication assistance” in RCW 69.41.010(15) for the purpose of expanding the actions available to nonpractitioners providing medication assistance to individuals residing in a community-based or in-home care setting. Nonpractitioners would be allowed to set up diabetic devices for self-administration and would also be allowed to hand injectable medications to an individual for self-administration. | <b><a href="#">HB 1720</a></b><br><i>Sponsor(s): Representatives Schmick and Low</i><br><br><i>Public Hearing (Health Care &amp; Wellness): 2/11/2025</i><br><i>Executive Session (Health Care &amp; Wellness): 2/12/2025, substitute bill adopted and passed by majority vote with DO PASS recommendation. Referred to Rules 2 Review (2/14). Second Reading (Rules): 2/18/2025</i> |
| <a href="#">HB 1638</a>  | Good Faith Pain Act   | This bill establishes protections for various health care professions “acting in good faith” in prescribing or dispensing opioid drugs “for legitimate medical purposes in the course of professional practice.” The covered professions include pharmacists, dentists, physicians, physician assistants, advanced registered nurse practitioners, podiatric physicians and surgeons, and osteopathic physicians and surgeons.                       | <b><a href="#">HB 1638</a></b><br><i>Sponsor(s): Representative Caldier</i><br><br><i>First Reading (House): 1/28/2025, referred to Health Care &amp; Wellness Committee.</i>  |
| <a href="#">HB 1520</a>  | Pharmacists’ scope of practice                                  | The bill would add a new section to chapter 18.64 RCW that allows pharmacists to prescribe certain categories of drugs including immunizations, antihistamine agents, hormonal contraception, and other medications used for the treatment of diseases, as well as drugs, drug categories, or devices  | <b><a href="#">HB 1520</a></b><br><i>Sponsor(s): Representatives Thai, Reed, Simmons, and Macri</i>  |

| Focus Bills             |   |  |  |
|-------------------------|---|--|--|
| Bill # /Companion       | Short Title   | Brief Description  | Committee Action (subject to change)   |
|                         |   | <p>that are limited to specified circumstances such as not requiring a new diagnosis or being minor and generally self-limiting in nature. The new section also has an expiration date of January 1, 2030.</p> <p>The definition for “practice of pharmacy” in RCW 18.64.011(32) is amended to include the diagnosing of conditions and diseases and the prescribing or ordering of drugs and devices as authorized by chapter 18.64 RCW and commission rules. The commission is also granted rulemaking authority to administer and implement the bill.</p> <p>RCW 69.41.030 is also amended to allow pharmacists to sell or deliver legend drugs “to the extent permitted under chapter 18.64 RCW” and removing the requirement to do so only through the creation and approval of “written guidelines or protocols” under RCW 18.64.011 and approved by a practitioner authorized to prescribe drugs.</p> | <p><i>First Reading (House): 1/22/2025, referred to Health Care &amp; Wellness Committee.</i></p>  |
| <a href="#">SB 5513</a> | Pharmacists’ scope of practice                          | Companion bill to HB 1520.   | <p><b>SB 5513</b><br/> <i>Sponsor(s):</i> Senators Slatter, Chapman, Nobles, and Short</p> <p><i>First Reading (Senate): 1/27/2025, referred to Health &amp; Long-Term Care Committee.</i></p> |
| <a href="#">HB 1009</a> | Membership of the Pharmacy Quality Assurance Commission | HB 1009 amends RCW 18.64.001 pertaining to individual eligibility to apply for a seat on the Pharmacy Quality Assurance Commission (commission). The bill changes one of the seats reserved only for a licensed pharmacist to allow for a public member who “may be an owner, officer, or operator of a pharmacy, but may not be licensed as a pharmacist or pharmacy technician” to also apply for the seat.  | <p><b>HB 1009</b><br/> <i>Sponsor(s):</i> Representatives Low, Ramel, and Eslick</p> <p><i>Second Reading (Rules): 1/28/2025; Rules Committee relieved of further</i></p>                      |
