Kim Manus, Chief Financial Officer Newport Hospital and Health Services 714 West Pine Street Newport, Washington 99156

Dear Ms. Manus:

RE: DOR 14-25

The Department of Health has completed its review of your exemption request related to Newport Hospital and Health Services request to increase swing beds from 5 to 24 at the hospital. Below is the information considered and the facts relied upon by the department's Certificate of Need Program in reaching its conclusion regarding your project.

INFORMATION CONSIDERED

- Exemption request received on May 13, 2014
- Revised Code of Washington (RCW) 70.38
- Washington Administrative Code (WAC) 246-310
- Department of Health Integrated Licensing and Regulatory System (ILRS) data

FACTS CONSIDERED

- Newport Hospital and Health Services is a Critical Access Hospital located at 714 West Pine Street in Newport, within Spokane County [99156].
- The hospital is currently licensed for 74 acute care beds. The licensed beds are broken down by services below.

Number of Beds	Services
24	General Medical Surgical
50	Nursing home

Kim Manus, Chief Financial Officer Newport Hospital and Health Services DOR #14-25 May 30, 2014 Page 2 of 3

- Included within the 24 general medical surgical beds are five swing beds as defined in Washington Administrative Code 246-310-010(58).
- This project proposes to increase the number of swing beds from 5 to 24.
- The 50-bed nursing home located on Newport Hospital and Health Services' campus is the only nursing home in the county. The nursing home is licensed under Revised Code of Washington 70.41.

CONCLUSION

Based on the totality of information considered, the department concludes the proposed increase in swing beds would be exempt from Certificate of Need review as allowed under Revised Code of Washington 70.38.105(4)(e). This exemption is not transferable and the conclusions reached concerning this project are based on the facts about this facility and it should not be assumed the department would reach the same conclusion in future exemption requests. This project may also need Department of Health approval for a construction plan and facility licensing or certification, as well as other federal or local jurisdiction permits.
