Dear Ms. Sze:

We have completed review of US HealthVest's request for a six-month extension to Certificate of Need #1518. Enclosed is Certificate of Need #1518E.

Certificate of Need #1518E extends the expiration date beginning January 22, 2016, to July 22, 2016. We monitor projects until completed or the expiration date, whichever occurs last. We do this with quarterly progress reports. At least 30 days before the report's due date, you will receive a form to complete and return.

If you have any questions, please contact Janis Sigman, Manager of the Certificate of Need Program at (360) 236-2955.

Sincerely,

Steven M. Saxe, FACHE  
Director, Office of Community Health Systems

#### Conditions:

1. Approval of the project description as stated above. US HealthVest further agrees that any change to the project as described in the project description is a new project that requires a new Certificate of Need.
2. Prior to providing services at the hospital, US HealthVest will submit a copy of the adopted and approved Admission Policy for review and approval. The final policy must be consistent with the draft provided in the application.
3. Prior to providing services at the hospital, US HealthVest will submit a copy of the adopted Charity Care Policy approved by the Department of Health's Hospital and Patient Data System's office.
4. The new 75-bed psychiatric hospital will provide charity care in compliance with its final charity care policies reviewed and approved by the Department of Health, or any subsequent policies reviewed and approved by the Department of Health. The new 75-bed psychiatric hospital will use reasonable efforts to provide charity care in an amount comparable to or exceeding the average amount of charity care provided by hospitals in the Puget Sound Region. Currently, this amount is 2.40 % of gross revenue and 5.21% of adjusted revenue. The psychiatric hospital will maintain records documenting the amount of charity care provided and demonstrating its compliance with its charity care policies.
5. Annual budgets, as required by WAC 246-454-030, submitted by the new 75-bed psychiatric hospital must include budgeted charity care amounts of at least the regional average amount of charity care provided by hospitals in the Puget Sound Region.
6. Prior to commencement of the project, US HealthVest will submit to the department for review and approval an executed Purchase and Sales Agreement between Vest Seattle Realty, LLC and Smokey Point Boulevard, LLC for the site.
7. Prior to providing services at the hospital, US HealthVest will submit to the department for review and approval a listing of key staff for the hospital. Key staff includes all credentialed or licensed management staff, including the director of nursing and medical director.
8. Prior to providing services at the hospital, US HealthVest will submit to the department for review and approval a final listing of ancillary and support vendors for the 75-bed psychiatric hospital.
