Dear Ms. Cullen:

Enclosed is Certificate of Need #1571 issued to DaVita Healthcare Partners, Inc. approving the addition of three stations to the existing 13 station DaVita Federal Way Community Dialysis Center located in King County ESRD planning area #5. At project completion, DaVita Federal Way Community Dialysis Center will have sixteen approved stations as noted on the certificate.

The certificate is not approval for any other local, federal, or state statutes, rules, or regulations. Such a project may also need Department of Health approval for a construction plan and facility licensing or certification, as well as other federal or local jurisdiction permits.

The Certificate of Need is valid for two years. The project must begin during this time. If there is substantial and continuing progress, we may extend the certificate for one six month period. For an extension, you must submit an extension request at least 120 days before the expiration. You cannot begin a project after the expiration date.

This decision may be appealed. The appeal options are listed below.

Appeal Option 1:

Any person with standing may request a public hearing to reconsider this decision. The request must state the specific reasons for reconsideration in accordance with Washington Administrative Code 246-310-560. A reconsideration request must be received within 28 calendar days from the date of the decision at one of the following addresses:
