Re: 18-02 Full Facility Closure Bed Banking-Licensee

Dear Mr. Anderson:

Thank you for your Nursing Home Full Facility Closure Bed Banking Application received on July 14, 2017. The application requests full facility closure bed banking for Anderson House located in King County.

Washington Administrative Code (WAC) 246-310-010(19) defines the “*effective date of facility closure*” as:

- (a) *The date on which the facility's license was relinquished, revoked or expired; or*
- (b) *The date the last resident leaves the facility, whichever comes first.*

According to information provided by the Department of Social and Health Services, Anderson House’s last resident left June 30, 2017. Therefore, the effective date of Anderson House’s closure is June 30, 2017.

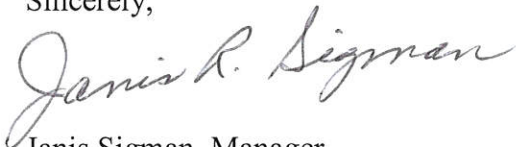

Revised Code of Washington (RCW) 70.38.115(13)(b) requires bed banking requests to be received in the Certificate of Need Program office no later than 30 days following a facility’s closure. For Anderson House, that date is July 31, 2017. Your request was received on July 14, 2017.

RCW 70.38.115(1)(b) allows the licensee or any other party who has secured an interest in the beds to bank the beds under full facility closure for eight years from the date of the original bed banking. The department has confirmed that Anderson Nursing Home, LLC was the licensee at the time of the facility’s closure. The eight-year bed banking of the 112 beds at Anderson House will expire on June 30, 2025, or until a Certificate of Need is issued.
