

MENTAL HEALTH & SUICIDE PREVENTION RESOURCE DIRECTORY

Mental Health & Suicide Prevention Resource Directory

Introduction: This Resource Directory is the result of an ongoing compilation of contacts with various organizations that offer services of assistance and support for employers relating to mental health and suicide prevention. Although this Resource Directory is comprehensive, it is only a partial listing of organizations and other resources. This version of the Resource Directory is for Washington State only.

It is recommended that employers also contact their Employee Assistance Program, local county departments of health and/or nonprofit social service organizations in their area for support. Some listed organizations have statewide chapters and some have regional and local chapters. Due to differing medical/behavioral health insurance plans for employees, health care clinics or systems are not included.

Specifically, the Resource Directory contains references to organizations and selected key contacts in the following 8 categories.

1. Addiction Recovery
2. Crisis Intervention
3. Domestic Abuse (shared by I.U.O.E. Local #302)
4. Mental Health
5. Suicide Prevention
6. Veterans
7. Web Resources for Employers
8. Selected Speakers/Presenters

This Resource Directory is provided for informational purposes. This Resource Directory was updated for the October 24, 2017, Construction Industry Suicide Prevention Summit. Being listed in this Resource Directory does not constitute an endorsement by Lakeside Industries, the Construction Financial Management Association (CFMA); the Construction Industry Alliance for Suicide Prevention (CIASP) or by the Associated General Contractors (AGC) of Washington. Any omission from this list is unintentional.

Ordering Pre-Formatted Vest and Wallet Cards

(artwork setup and formatting done and available for your company's use)

*Wallet Cards (NSPL & Crisis Text Line): Precision Press -- Jim Bowers - 425-883-4181 - www.precisionpress.com
