							FY 2022	FY 2023	FY 2022	FY 2023				
303	Department of Health	4013	Remote Dispensing Registration	Yes	SB 6086	New			5.5	6.9	New expenditures	stakeholder initiated	Fee established to support new registration. Estimated implementation 12/1/2021	
303	Department of Health	4010	Pharmacist Fee Cycle- 2 year	No	N/A	Increased			0	0	Existing	agency originated; supported by stakeholders	The proposed fee increase doubles the current renewal fee in order to enable the program to shift from an annual cycle to a two year renewal cycle that aligns the program's current continuing education requirement cycle. The program will receive no additional revenue from this increase over what is currently collected over the two year cycle. This increase will result in a net zero biennial change as renewal transactions will be distributed across the biennia. Estimated implementation is 12/1/2021.	
303	Department of Health	4011	Pharmacist Intern Fee Cycle- 2 year	No	N/A	Increased			0	0	Existing	agency originated; supported by stakeholders	The proposed fee increase doubles the current renewal fee in order to enable the program to shift from an annual cycle to a two year renewal cycle that aligns the program's current continuing education requirement cycle. The program will receive no additional revenue from this increase over what is currently collected over the two year cycle. This increase will result in a net zero biennial change as renewal transactions will be distributed across the biennia. Estimated implementation is 12/1/2021.	
303	Department of Health	4012	Pharmacist Technician Fee Cycle- 2 year	No	N/A	Increased			0	0	Existing	agency originated; supported by stakeholders	The proposed fee increase doubles the current renewal fee in order to enable the program to shift from an annual cycle to a two year renewal cycle that aligns the program's current continuing education requirement cycle. The program will receive no additional revenue from this increase over what is currently collected over the two year cycle. This increase will result in a net zero biennial change as renewal transactions will be distributed across the biennia. Estimated implementation is 12/1/2021.	
303	Department of Health	NEW	Pharmacy Assistant Fee Cycle- 2 year	No	N/A	Increased			0	0	Existing	agency originated; supported by stakeholders	The proposed fee increase doubles the current renewal fee in order to enable the program to shift from an annual cycle to a two year renewal cycle that aligns the program's current continuing education requirement cycle. The program will receive no additional revenue from this increase over what is currently collected over the two year cycle. This increase will result in a net zero biennial change as renewal transactions will be distributed across the biennia. Estimated implementation is 12/1/2021.
