License Requirements

Thank you for applying to become a Chiropractor in Washington State. The Commission has determined that the licensing requirements of all states of the United States, the District of Columbia, Puerto Rico, Guam, and the U.S. Virgin Islands are “substantially equivalent” to those of chapter 18.25 RCW and 246-808 WAC. Applicants of other territories of the United States or Canada may still apply for a license to practice as a chiropractor via endorsement and the Commission will determine if their qualifications are “substantially equivalent” to those of chapter 18.25 RCW and 246-808 WAC on a case-by-case basis.

An applicant from a jurisdiction whose qualifications are deemed “substantially equivalent” to those of chapter 18.25 RCW and 246-808 WAC is not guaranteed to be issued a license to practice as a chiropractor, as the Commission has authority to deny an application if the applicant does not meet requirements for licensure.

In order to qualify for licensure by endorsement you must complete the following:

- Complete and submit the application and [fee](#).
- Letter of recommendation:**
You must have one letter of recommendation. This is a form attached within the application packet.
- Other License, Certification, or Registration:**
Print the verification form and provide it to each state or jurisdiction in which you held a credential, requesting that they complete and submit the form directly to the Chiropractic Quality Assurance Commission.

2. Personal Data Questions

Yes No

1. Do you have a medical condition which in any way impairs or limits your ability to practice your profession with reasonable skill and safety? If yes, please attach explanation.....

“Medical Condition” includes physiological, mental or psychological conditions or disorders, such as, but not limited to orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, intellectual disabilities, emotional or mental illness, specific learning disabilities, HIV disease, tuberculosis, drug addiction, and alcoholism.

If you answered yes to question 1, explain:

- 1a. How your treatment has reduced or eliminated the limitations caused by your medical condition.
- 1b. How your field of practice, the setting or manner of practice has reduced or eliminated the limitations caused by your medical condition.

Note: If you answered “yes” to question 1, the licensing authority will assess the nature, severity, and the duration of the risks associated with the ongoing medical condition and the ongoing treatment to determine whether your license should be restricted, conditions imposed, or no license issued.

The licensing authority may require you to undergo one or more mental, physical or psychological examination(s). This would be at your own expense. By submitting this application, you give consent to such an examination(s). You also agree the examination report(s) may be provided to the licensing authority. You waive all claims based on confidentiality or privileged communication. If you do not submit to a required examination(s) or provide the report(s) to the licensing authority, your application may be denied.

2. Do you currently use chemical substance(s) in any way which impair or limit your ability to practice your profession with reasonable skill and safety? If yes, please explain.....

“Currently” means within the past two years.

“Chemical substances” include alcohol, drugs, or medications, whether taken legally or illegally.

3. Have you ever been diagnosed with, or treated for, pedophilia, exhibitionism, voyeurism or frotteurism?.....
4. Are you currently engaged in the illegal use of controlled substances?.....

“Currently” means within the past two years.

Illegal use of controlled substances is the use of controlled substances (e.g., heroin, cocaine) not obtained legally or taken according to the directions of a licensed health care practitioner.

Note: If you answer “yes” to any of the remaining questions, provide an explanation and certified copies of all judgments, decisions, orders, agreements and surrenders. The department does criminal background checks on all applicants.

5. Have you **ever** been convicted, entered a plea of guilty, no contest, or a similar plea, or had prosecution or a sentence deferred or suspended as an adult or juvenile in any state or jurisdiction? ..

Note: If you answered “yes” to question 5, you must send certified copies of all court documents related to your criminal history with your application. If you do not provide the documents, your application is incomplete and will not be considered.

To protect the public, the department considers criminal history. A criminal history may not automatically bar you from obtaining a credential. However, failure to report criminal history may result in extra cost to you and the application may be delayed or denied.
