	 How your field of practice, the setting or manner of practice has reduced or eliminated the limitations caused by your medical condition.

	The licensing authority may require you to undergo one or more mental, physical or psychological examination(s). This would be at your own expense. By submitting this application, you give consent to such an examination(s). You also agree the examination report(s) may be provided to the licensing authority. You waive all claims based on confidentiality or privileged communication. If you do not submit to a required examination(s) or provide the report(s) to the licensing authority, your application may be denied.

	If you have been granted certificate(s) of restoration of opportunity, please provide a certified copy of each certificate.
