

Washington State Newborn Screening Program Specimen Collection and Transit Performance Report Births January 1, 2017 - December 31, 2017

Each hospital or healthcare provider attending a birth outside of a hospital is required to collect and transport specimens to the Newborn Screening Laboratory within specified timeframes ([70.83.020 RCW](#)). These requirements ensure timely testing and diagnostic treatment for the protection of newborns. The timeframes for specimen collection and transport are:

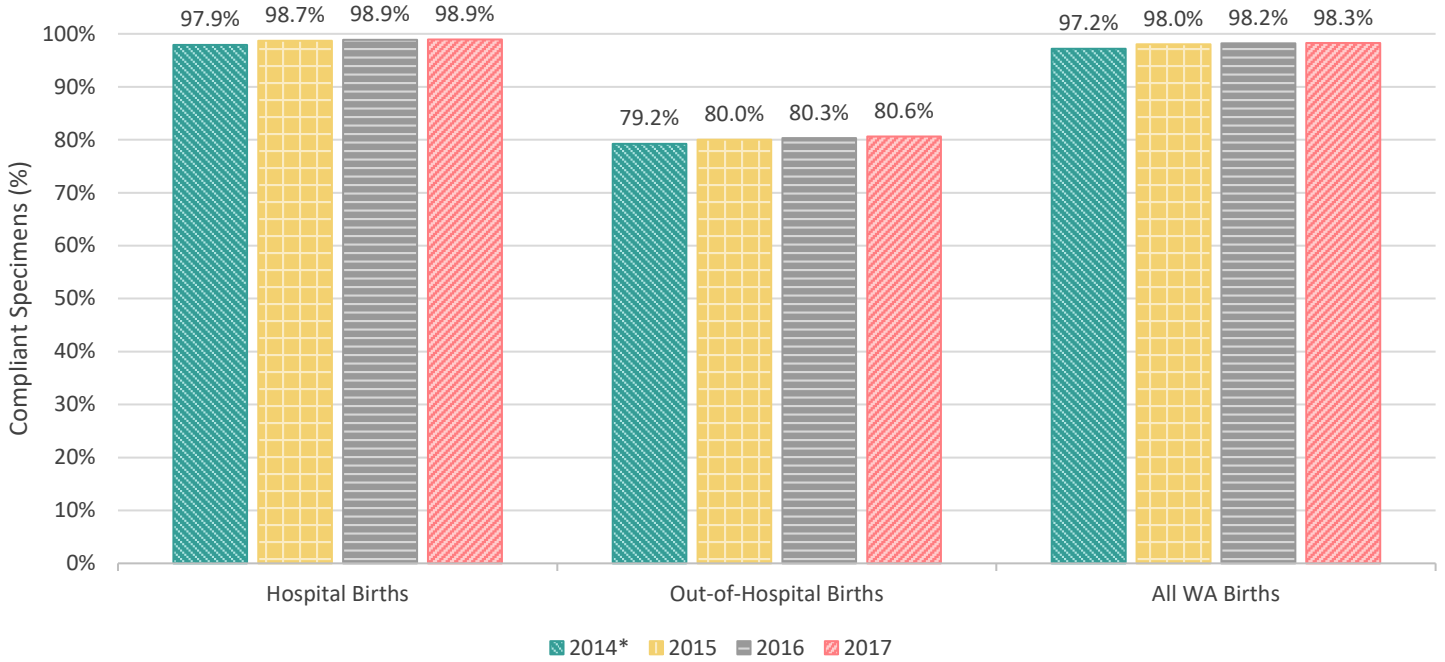

- 1) Initial specimen collected no later than 48 hours following birth
- 2) Initial specimen received by State Lab within 72 hours of collection (excluding Sundays and Thanksgiving)

Hospital of Birth	City	Total Infants	1) Collection Compliance	2) Transit Compliance
Auburn Medical Center - MultiCare	Auburn	1214	99.4%	97.4%
