For people with disabilities, this document is available on request in other formats. To submit a request, please call 1-800-525-0127 (TDD/TTY call 711).

DOH Publication Number 970-209

The purpose of the *Children and Youth with Special Health Care Needs Manual* (CYSHCN) is to provide core information about the structure, policies and procedures of the CYSHCN Program. Most of the manual sections are of a permanent nature and remain accurate across time. The target audience is local health jurisdictions and other contractors who have contractual requirements for tasks, activities and/or deliverables that reference the CYSHCN Manual for additional guidance.
